

# Welcome to the Family!

Hello to the families & students of St. Gregory the Great Catholic School. We are so excited to formally introduce ourselves, FlynnO'Hara Uniforms, as your school uniform partner, and look forward to once again serving the St. Gregory the Great's community! As a reminder, you'll be able to shop both online and in our San Antonio store beginning February 2023.

At FlynnO'Hara, we believe that a school uniform is so much more than just the clothes on a student's back. A uniform represents community and provides a sense of belonging; it eliminates one extra decision in a day already packed with important choices, and allows students to focus on what really matters: their education & personal growth.

To those we have served in the past: we're excited to be working with you again, and are eager to show off the improvements we've made in the past year. To all those families we have yet to meet: hello! Whether this is your first time shopping for uniforms or your fiftieth, we're here to make the experience an easy one. We welcome you to the FlynnO'Hara family, and cannot wait to grow with you in the years ahead.

Sincerely,  
The FlynnO'Hara Team
