We partner with the family in the education and foundation of the whole child.
Dedicated to a Vision

Archdiocese of San Antonio

“Share The Spirit!” The fundamental purpose of Catholic Schools in the Archdiocese of San Antonio is to proclaim the Good News of Jesus the Christ. His news is one of challenge, love and unity; His spirit is caught in the lives of students. Affirming that parents are the primary educators and partners of education, we prepare students to share the spirit of Jesus through community building, Christian acts of service, and word and worship. We commit to provide inspiring active learning and quality education so that all students Share The Spirit of Catholic Education.

This Vision statement calls forth beliefs that affirm the missionary dynamics of all Catholic Schools in the Archdiocese of San Antonio as we move into the Third Christian Millennium. They are:

Foster A Catholic Identity
We prepare students to encounter the Gospel of Jesus Christ and to bring Catholic teachings and values into their lives and the global world.

Invest In Community Building

Seek Equitable Distribution
We are challenged to establish just distribution of resources to ensure quality and affordability to families and our church.
WELCOME TO ST. GREGORY THE GREAT CATHOLIC SCHOOL

THE HISTORY OF ST. GREGORY THE GREAT CATHOLIC CHURCH AND SCHOOL

In the beginning, Father Michael J. Holden, who was elevated to the title of Monsignor in 1959, along with Msgr. John L. Morkovosky, accepted the spiritual and financial responsibility of St. Gregory the Great.

After much hard and dedicated work by the 635 families in the new Parish, the Church and school were dedicated on June 12, 1955. There was much work to be done and it was accomplished by many dedicated people. As organizations and ministries were formed, an athletic program was established, a choir was formed, landscaping was done, but most importantly, our school was established and staffed by the Presentation Sisters as they carried out the work of their foundress, Nano Nagle. First came Mother M. Magdalen, Mother M. John, and Mother M. Cecilia. Later they were joined by three more Sisters from Ireland—Mother M. Peter, Sister M. Stanislaus and Sister Angela. In 1955, the six Sisters began teaching at St. Gregory the Great.

Enrollment at St. Gregory the Great the first years was 465 children. Tuition was $3.50 per student, and $5.00 per month for families with two or more children attending school. Over the years the Pastors, Msgr. Michael J. Holden, Msgr. James Boyle, Msgr. Charles Grahmann, Msgr. Stanley Petru, Msgr. Michael O’Gorman, and currently Father Rudy Carrola have fully supported the need for Catholic education. St. Gregory the Great will be forever grateful for the dedication of the Presentation Sisters and the Pastors who have served the Church. Without God and these amazing individuals, St. Gregory the Great School would not have the GREAT name it has today!

Having the overall responsibility for the operation of the Church and school is our Pastor, Father Rudy Carrola with, Mr. Daniel Martinez serving as principal.

Our school has made wonderful strides from those humble beginnings, but our commitment to academic excellence, a strong Catholic identity, providing access for all, and establishing an excellent learning environment for our students has remained the same. A special “thank you” to the Presentation Sisters for laying the foundation for our GREAT school. At St. Gregory the Great, we are family.

GOALS

In the practical application of our school philosophy we, the faculty and staff of St. Gregory the Great Catholic School, working with the home and the Church, endeavor to provide children with the experiences which will develop a character equal to the responsibilities of fundamental Christian living in the American democratic society. We shall attempt to accomplish this ideal objective:

- By providing the child with the firm foundation in the truth of his/her faith and in appreciation of the dignity of the human being, so that he/she may become a worthy citizen of this world and the next.
- By creating in the child a desire to excel mentally, morally, and physically according to his/her potential.
- By making advantageous use of such cultural resources and educational agencies as are available in the local community.
- By preparing the child academically and spiritually for a successful future.
CHRISTIAN FORMATION

- In view of the philosophy of St. Gregory the Great School, Religion and all that it implies in the life of the child is of the utmost importance and requires total cooperation on the part of the home. Parents are the first teachers of Religion and form the foundation for their child’s faith. At St. Gregory the Great, students are active participants in the Liturgy and assist as altar servers, sacristans, lectors and as members of the liturgical choir.
- The Catholicity of our school is a primary focus. Religion is not just a “subject” but is to be infused in all that we do at St. Gregory the Great and integrated throughout our school day.
- One formal period each day is devoted to religious instruction. Religion texts are on the USCCB Conformity Listing of Catechetical Texts and Series. The selection of Religion textbooks is the responsibility of the Principal, in consultation with the faculty (6006). Weekly liturgies and other religious observances are celebrated throughout the school year. Students in grades 3–8 receive the sacrament of Reconciliation during the special seasons of Advent and Lent. The sacrament of First Reconciliation is scheduled for children in second grade. The sacrament of First Eucharist is scheduled for children in third grade. Students who enroll at StG from 2nd grade and beyond, and have not yet received their sacraments, are offered the opportunity to begin preparation, in consultation with their parents/guardians.

HOME-SCHOOL RELATIONS

Ethical Code of Conduct for All Members of the School Community

A great advantage Catholic schools benefit from is the high degree of shared values, morals, and faith among the families who choose a Catholic school for their children and a faculty and staff who also share those values. When both home and school work together, the impact on the life of the child is immeasurable. In order for St. Gregory the Great Catholic School to serve in the best interest of all families who attend, cooperation between home and school is crucial.

In cases of anything other than routine classroom management, parents will be informed regarding disciplinary process. It is essential that the authority of the school and the faculty and staff be recognized and respected by the students who attend St. Gregory the Great Catholic School and by their parents/guardians.

In matters of school discipline, the administration and the school faculty will be the final arbiters of student conduct that occurs during school hours and all school-sponsored activities.

Parental involvement in the life of the school is both desirable and encouraged. Parents and guardians are invited to seek clarification in matters of both school work and of student discipline. The tone for such inquiry, however, should always be in the spirit of cooperation and mutual respect.

Parents, family members, faculty and staff are role models to all persons, most particularly the children. The way in which one conducts oneself sends a message to all in the school community. As a Catholic/Christian community, all persons should be aware of how to conduct themselves and refrain from any behavior, actions, language, or gestures that are unbecoming. ANY person acting in an abusive manner toward anyone on campus or at any school-sponsored event will be asked to leave, or if necessary, be removed from the premises. Attending St. Gregory the Great Catholic School is a privilege, not a right. Anyone who is removed and wishes to return must meet with the Pastor and School principal before resuming attendance.

Although all persons at St. Gregory the Great Catholic School hope that the home life of a child would reflect the faith and values that are nurtured at school, the reality is that this is not always the case. Therefore, the school will not be responsible for any activity or event that is not officially sanctioned by the school administration whether or not it takes place on school premises.

CRIMINAL BACKGROUND CHECKS (2102) The Archdiocese requires that every school conduct criminal background checks on all volunteers, this includes chaperones for field trips. No volunteer may work with students until a clearance is issued. Forms are available at the school office. Parents and guardians are encouraged to submit the form at the start of the year as it may take a few weeks for clearance. The background check is valid for three years.

SAFE ENVIRONMENT TRAINING (2105) All employees must receive Safe Environment Training within 30 days from their hire date. All volunteers must receive Adult Safe Environment Training prior to working with or around children. Training must be renewed every three (3) years based on the date of the first training. The Archdiocese of San Antonio uses the Protecting God's Children program developed by VIRTUS to educate adults on abuse prevention.

ARCHDIOCESAN SEXUAL MISCONDUCT POLICY (2106) All employees must fully comply with the Policy on Sexual Abuse on the Part of Church Personnel of the Archdiocese of San Antonio. All employees and volunteers are required to receive orientation on the Archdiocesan Policy on Sexual
Misconduct. Employees have 30 days to read the Sexual Misconduct Policy and sign the verification form.

ADMISSION AND REGISTRATION

ADMISSION OF STUDENTS

NON-DISCRIMINATION (3001) St. Gregory the Great Catholic School admits qualified students of any race, color, and national or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the schools. StG does not discriminate on the basis of race, color, ancestry, national and ethnic origin, or gender, except in the case of single gender schools, in the administration of educational policies, admission policies, and scholarship programs. Preference for admission shall be given to students of the Catholic faith.

Every student, Catholic or non-Catholic will be expected to study the Catholic religion as an integral subject at St. Gregory the Great Catholic School. He/she will be expected to attend and participate in Masses, other liturgical services, to participate in religious activities, daily prayer, fulfill service requirements and to demonstrate a Christian attitude.
Reasonable effort will be made to provide Catholic students with a Catholic education. St. Gregory the Great Catholic School and Parish will make a strong effort to provide a Catholic education for students whose parents are unable to pay full tuition. In those cases in which physical space makes it necessary to restrict the intake of students in a given school, priority must be given to students of Catholic parents residing in the parish and who have demonstrated support of Catholic education in the past.

ADMISSION REQUIREMENTS (3002)

The tuition agreement is established between the parent/student and the school and in accordance with the rules of the school governing all areas of the student’s development. As part of the contractual agreement, there are explicit and implicit expectations placed on both the parent/student and the school. Explicit rules and regulations are included in the Parent/Student Handbook and various school communications.

Every student entering St. Gregory the Great School for initial enrollment is on probationary status for one year. The principal may, at his discretion, remove a student from probation or extend a probation period. Failure to perform satisfactorily after having been placed on probation may result in removal from St. Gregory the Great Catholic School.

**MISSING CHILDREN PROGRAM (3003)** If a student is enrolled under a name other than the student’s name as it appears in the student’s official birth certificate, then the school shall notify the Texas Department of Public Safety’s missing children and missing persons information clearinghouse of the student’s name as shown on the identifying document or records and the name under which the child is enrolled. The information in the notice is confidential and may be released only to a law enforcement agency. If an official birth certificate is not furnished to the school within 30 days of
enrollment, then the school shall notify the police department of the municipality or sheriff's department of the county in which the school is located and request a determination of whether the child has been reported as missing. A school may accept a child for enrollment without the documentation required by the Admission Requirements Policy if the Department of Protective and Regulatory Services has taken possession of the child under Chapter 262, Family Code. ADMISSION OF STUDENTS FROM PUBLIC AND OTHER NON-PUBLIC STATE APPROVED SCHOOLS (3005) Admission of students transferring from public and other state approved nonpublic schools is the decision of the principal based on testing, observation and other assessments. This decision is made if it is deemed in the best interest of the student, and the placement is agreeable to both parents and principal.

ADMISSION OF STUDENTS FROM HOME SCHOOLLING AND NON-ACCREDITED SCHOOLS (3006) Students entering St. Gregory the Great from another school or home schooling will be tested in reading and mathematics to determine proper grade placement. Students in grades kindergarten through eighth grade must present at the time of registration a copy of the following certificates:
1. Official Birth Certificate
2. Baptismal certificate
3. Physicians stamped Immunization record
4. Official cumulative record or transcript of previous grade
5. Completed Archdiocesan transfer form (if applicable)

Admission is the decision of the principal and shall be based on testing, observation and/or other assessments.

ADMISSION OF INTERNATIONAL STUDENTS AND EXCHANGE VISITORS (SEVIS) (3007) St. Gregory the Great is certified as an approved agent to certify eligibility of nonimmigrant students through the Student and Exchange Visitor Program (SEVIS) and comply with all applicable laws and regulations pertaining to their certification. The principal or his designee is the representative (DSO) for the SEVIS system to be the primary point of contact for all SEVIS related matters and who shall work with the student and parent/guardian, in consultation with the Catholic Schools Office, to complete, process, communicate, update, and verify all information required by SEVIS. Before an I-20 form can be completed, the student must be formally accepted by the school and in compliance with all of the school’s admission requirements. StG will issue a formal acceptance letter to their international and exchange visitor students to facilitate the SEVIS process. The acceptance letter should identify the parent/guardian in the United States who will act on behalf of the student. A copy of the legal guardian’s authority to act on behalf of the parent/student should be kept on file with the school. StG will work with the student’s parent/guardian to complete the computerized I-20 form via the SEVIS system. Schools may use the I-20 Required Data Form to facilitate completing the I-20 form via the SEVIS system. Credits earned by students in schools located in foreign countries, once verified, will be accepted only after review and approval of the principal. I-20 or visa status documentation is required.
ADMISSION OF STUDENTS WITH SPECIAL NEEDS (3008)
St. Gregory the Great promotes inclusion for all children with different learning needs. Students with special needs shall be given the same consideration as all applicants and will be provided an opportunity for admission. StG strives to provide the accommodations and/or modifications within the scope of the school’s resources for students who are identified as having special learning needs. StG has a process and policy in place for documenting accommodations and modifications. Accommodations and modifications should be communicated to parents and reviewed, at a minimum, on a yearly basis. Should a family apply to a school that is not capable of providing the necessary facilities or services for the child to be successful, they will be referred to other schools and programs, which have the ability to effectively meet their needs. St. Gregory the Great will collaborate with parents/guardians, the public school, and appropriate agency and/or professional when providing services for the child. Prior to admitting a child with diagnosed special needs, a school shall make a determination of its ability to appropriately meet the educational needs of the child. The needs of each child will be considered on an individual basis and the schools must consider the following factors:

- The severity and degree of the need/disability;
- The level of support/special services needed or any special equipment the student may require;
- The school’s available resources such as a support staff, accessibility of facilities, class size, etc.
- The school’s ability to provide and effectively implement the accommodations, or academic recommendations listed in the child’s IEP, (if applicable) or evaluation report.

ATTENDANCE

STUDENT ATTENDANCE (3101)
State law requires students be in attendance 90% of the school year. A student may not receive credit for a course unless the student is in attendance for at least 90 percent of the days the course is offered, (per core subject in Upper Unit). Students are to attend school unless there are valid reasons for absence provided by the parent/guardian. An excused absence does not mean a student will not be marked absent. A student not physically present at a school, excused or unexcused, is marked absent. It is the responsibility of the parent(s)/guardian(s) to contact the school to report when the student is absent.

Valid reasons, such as sickness, are considered excused. Invalid reasons, such as extra vacation are considered unexcused. **In all cases, students are responsible for all work missed.**

After ten unexcused absences, school administration must give a parent/guardian written notification via Facts email, that their student has accumulated excessive absences. The school shall follow a similar process for excessive tardies. If a student is absent the parent/guardian must notify the school office by 8:30 a.m. If no notification is received by 8:30 a.m, the school office will e-mail the parent/guardian to verify the absence. Current e-mail addresses and phone numbers for parents and guardians must be on file at all times. **A student who incurs eighteen absences per year may be required to repeat the grade, attend summer school or other consequence.** This decision lies with the school administration.

CONSECUTIVE NON-ATTENDANCE DAYS
Schools shall contact a student’s parents or guardian when a student has been absent ten (10) consecutive school days. If through repeated efforts by school staff (e.g., administration, school
counselor, health coordinator, nurse or other administrative staff) there has not been successful contact, then the school may withdraw the student.

ATTENDANCE COMMITTEE

When a student fails to meet the attendance requirement and attends less than 90 percent of the days a class is offered then the school may convene an attendance committee to review the circumstances surrounding the student’s excessive absences, excused and unexcused. The committee may decide to award class credit due to extenuating circumstances or establish ways for the student to make up work or regain credit loss due to their excessive absences. The attendance committee shall be comprised of the principal and/or his or her designee, the school counselor and the classroom teacher.

RECORDING ATTENDANCE (3102)

The school is required to keep an accurate record of attendance, tardiness, and absences.

Daily attendance records must be kept for each student and a daily report must be reviewed by the administration. Every student enrolled in the school must be included in the records and is a member of that school until officially withdrawn. A student is considered absent unless officially withdrawn. Attendance records are to be maintained by the school office. The attendance record must be kept on file for a minimum of five (5) years.

Written reasons for absences are required on the day the child returns to school. Absences will be excused with 1) a doctor’s note 2) notice of death of a family member 3) deployment of a parent. 4) incidences where a child must be sent home due to illnesses that may be contagious such as but not limited to fever, or vomiting. 5) events approved by administration. Please submit these notes to the student’s teacher or the school front office to be kept in the child’s file for appropriate documentation. If a child is absent 3 or more days and returns without a doctor’s note, a parent/guardian must consult with administration before the student is allowed to enter class.

- Each student has the responsibility to make up work and/or tests that are missed due to absences. The student must take the initiative to meet with the teachers and schedule a time to make up the work.
- Students will be allowed a reasonable amount of time to make up the work, and the due dates are to be coordinated with each teacher during the first day back. The ordinary guide to time allowed for make-up work is one day for each day absent.
- Upon parental request, homework for an absent student may be picked up from the front desk after dismissal or sent home with a sibling or designated student. Parents may also request that homework be sent to the Extended Day Care Program for pick up after the school day. This request for homework must be made before 9:00 a.m. on the day it is to be picked up.
- **A student in 4th-8th grade will be required to attend Saturday School (8:30 am-11:30 am) on their 10th unexcused absence.** Saturday School is at the expense of $50 to the parent/guardian and is considered a financial obligation and will be billed automatically via FACTS and must be paid within one month of billing. Refusal to serve Saturday School may result in the student being suspended, expelled and/or denied re-admission for the upcoming year.
- Recreational travel is not usually considered necessary and may not be excused. Considering the school calendar, summer vacation, the Christmas holiday, spring break, and Easter weekend, it is requested that parents/guardians make every effort to work around the school calendar. Absence due to travel where a significant family occasion is scheduled may be excused. The administration is the final arbiter of what constitutes a significant family occasion. Teachers will not be required to honor requests for work prior to a student’s planned absence.
Attendance for PK3-5th Grade

- Students absent from school for up to 90 minutes will be marked as ¼ (quarter) day absence.
- Students absent from school for up to 3 hours will be marked as ½ (half) day absence.
- Students absent for more than 3 hours will be marked as 1 (one) full day absence.
- Any student who is absent ½ day or more on the day of a planned extracurricular activity or event (including dances, etc.) may not attend. Students must be in school by 10:00 a.m.

Attendance for 6th-8th Grade

- Attendance will be taken each period for grades 6th-8th.
- Students need to be present in class for 90% of the class to be counted present.
- A student arriving between 8:00 am and 8:15 am will be counted Tardy for 1st period. After 8:15 am, students will be counted absent for 1st period only.
- A student arriving tardy will need to report to the school office for a tardy slip.
- 3 tardies in one period equals a 1 day absence in that class.
- Students arriving to a class period late, will be marked tardy for that period.
- **A student who is absent more than 18 times in a class will not earn credit for that class.**
- Any student who is absent ½ day or more on the day of a planned extracurricular activity or event (including dances, etc.) may not attend. Students must be in school by 10:00 a.m.

***It is the parent/guardian responsibility to monitor the student’s attendance and require the student to attend school.***

TARDIES (3103) *Prompt arrival at school is expected of all students. Tardiness is disruptive to the learning environment.* A student who arrives to the classroom door at 8:00am or later is tardy and must obtain a tardy slip from the school office to enter the classroom. Many factors can cause a student to be late for school, most are beyond the control of the students; creating a situation where usual discipline methods may seem unfair. With this in mind, each student is granted 15 “no fault” tardies per school year.

- An email notification will be sent to the family via Parent Web to notify the family that the student is near the tardy limit for the year.
- On the 16th tardy a fine of $30 will be billed automatically via FACTS.
- Beginning on the 17th tardy and each tardy thereafter, $10 will be added to the student’s FACTS account.
- Tardies are documented on the student’s report card.
- Students in 4th – 8th grade will be required to attend Saturday School (8:30am to 11:30am) after 15 tardies have been accrued. There is a $50 fee for Saturday School in addition to the $10 per tardy after the 16th tardy.
- All fees incurred due to tardies are part of a family’s financial responsibility to the school and must be paid within one month of billing.

All Tardies will be monitored and billed every 2 weeks.
The Business Office will bill on the 1st and 15th of every month.

NOTIFICATION NECESSARY FOR RELEASING STUDENTS DURING SCHOOL HOURS (3104)
Parents or guardians will be notified by telephone call to make suitable arrangements when it is necessary to send a student home because of illness, disciplinary action, or other reason.
Documentation of this notification is kept in the school office or the health office. Students may only be released through the sign-out procedure in the school office to their parent/guardian or other authorized adult on the student’s pick up list.

Parents or designated persons who need to pick up a student during the school day should send an explanatory note at the beginning of the school day stating the time the student will be leaving and if the student will be returning for the remainder of the day. The parent or guardian must sign the student out in the school office. Students in grades 1–8 will be called to the school office once the parent/designated person has arrived and signed the student out. Students are not allowed to miss class to wait for the parent/designated person. Only students in the Early Childhood building may be picked up by the parent/designated person at the classroom after they have been signed-out in the front office. A student will not be released from school during school hours into the custody of any person other than those listed on Ren Web as authorized to pick the child up. Identification of the person to whom the student is released must be verified. Should the student return to school after an appointment or other valid reason, the student must be signed back into school by a parent/guardian at the school office.

APPOINTMENTS WITH A HEALTH CARE PROFESSIONAL Medical and dental appointments should be scheduled after school hours. If this is not possible, a parent or guardian MUST send a note to the teacher on the morning of the appointment stating the time the student will be picked up. A student absent during any part of the school day due to a doctor/dentist appointment will be excused up to a 90 minute period with a doctor’s note presented upon return to school. After 90 minutes the student will be marked ¼ day or ½ day absent depending on their time of return/arrival to school. All work missed during the absence must be completed by the following day. A parent/guardian must sign the student out as well as back in upon return in the school office.

INCLEMENT WEATHER/TARDY WAIVER DAY: On the rare day in which road conditions are hazardous for families to arrive on time, the principal may declare an inclement weather tardy waiver up to a reasonable time for everyone to arrive safely. On those days, a tardy caused by road conditions does not count in the calculations of total tardies; however, students must still report to the office first to receive an admit/tardy slip. Depending on the severity, accidents on the freeway usually do not constitute a tardy waiver day, unless approved by administration.

ATTENDANCE AWARDS: Any student who has zero unexcused absences and no more than 1 tardy will earn a Perfect Attendance Award. The awards are given on a quarterly basis.

EARLY DISMISSELS: St. Gregory the Great School will have early dismissals throughout the year for the purposes of faculty meetings, parent conferences and holiday dismissals. Please refer to the school calendar for these early dismissal dates and make special arrangements to pick up your child(ren) at that time. On early dismissal days, twenty minutes after dismissal, all unsupervised children will be escorted to the Extended Day Care program where the Extended Day Care staff will provide supervision. All students who are sent to the Extended Day Care program will be billed on their next tuition invoice. There are two days with no After-School Care provided: April 9th, and May 29th.

RELEASE OF STUDENTS TO A LAW ENFORCEMENT OFFICER (3105) StG and it’s officials shall not interfere in the official duties of law enforcement or government officials. Police and other government officials shall communicate directly with the principal when requesting an interview with a student. In the absence of the principal, the request shall be directed to the assistant principal or administrator on duty. Law enforcement and government officials shall be given access to a child without prior parental permission under the following circumstances: (a) there is an
arrest warrant, (b) the parent is the subject of an investigation of abuse or neglect, or (c) there is an ongoing situation that poses an immediate danger of causing significant harm. No police officer should ever be allowed to come into a school and question a student about a prior, off-campus event. A student’s parents or guardians shall be notified immediately if law enforcement or government officials request to speak with the student unless it is stated that doing so would undermine the efforts of law enforcement or the government official. In all cases, the Superintendent, or their designee, and the archdiocesan attorney shall be notified immediately regarding the presence of law enforcement or government officials on campus.

RELEASE OF STUDENTS DURING SCHOOL HOURS--CUSTODIAL/ NON-CUSTODIAL A student may be released from school during school hours into the custody only of those persons listed on the student’s Emergency Information Card or Renweb pick up list. Identification of the person to whom the student is released must be verified. Parents or guardians must be notified by telephone to make suitable arrangements when it is necessary to send a student home because of illness or other reasons. Documentation of this notification is kept in the school office. Students will only be released through a sign out process conducted through the school’s main office.

EMERGENCY DISMISSAL/SCHOOL CLOSURE In case of inclement weather, San Antonio television and radio stations broadcast the status of the school day. St. Gregory the Great School follows the same status as Northeast Independent School District (NEISD) for cancellation. Since St. Gregory the Great School does not have a bus transportation system, the school will open at the regular time, even if NEISD has a delayed opening. A text alert will go out to provide current information regarding school schedule changes due to inclement weather or other extraordinary circumstances.

SPECIAL SCHOOL EVENT; SIBLING ATTENDANCE: During a special school event, i.e. play, awards, graduation, if a parent or guardian wishes for a sibling to be present, the parent must sign the child out in the front office; office personnel will call for the student. The student should return to class as soon as the event is over. The parent is responsible for notifying the school office that the child is returning to the classroom by signing the child back in school.

TRUANCY: A student who is absent from school without the consent of his/her parent/guardian is truant. Truant behavior is unexcused, and a parent or guardian must accompany the student to meet with administration before being readmitted to school.

WITHDRAWAL FROM SCHOOL: If it becomes necessary to withdraw your child(ren) from the school, a parent/guardian is required to complete a withdrawal form located in the school’s front office and the form must be signed by an administrator. St. Gregory the Great will release a copy of the student’s permanent record and the original health record upon direct request from the receiving school.

EIGHTH GRADE HIGH SCHOOL VISITS: Two half days or one whole day will be excused for 8th graders to visit the Catholic High Schools. In order to be excused the following must be followed:

- The visits must be scheduled between September 10th and before review days/mid-term exams in December.
- A written letter requesting permission to shadow a Catholic high must be submitted to the school office at least three days prior to the high school visit date. The visit date must be coordinated with the St. Gregory the Great teachers to avoid missing important due dates and/or tests. An administrator’s signature will either grant or deny the request.
• The student must take the initiative to make up all the work missed either before or immediately after the absence.
• Upon the student’s return, written verification must be received from the high school of the date and time of the visit; the high schools will gladly provide this verification.

STUDENT RECORDS

PERMANENT RECORD (3201) A permanent record is maintained for each student at St. Gregory the Great. Each student’s official file contains only these items: permanent record and academic testing. Only the contents of the official file will be forwarded to a new school. A copy of the permanent record is retained by St. Gregory the Great when a student transfers or graduates.

EMERGENCY INFORMATION CARD (3202) Current contact information is vital for the safety and well-being of all students. It is the responsibility of the parents/guardians to maintain current and accurate information on file for their children. All parents/guardians must complete an Emergency Information Card. This card contains pertinent information in case of an accident or illness including address, home/work/cell phone numbers, email address and other emergency contact information. Parents/guardians are required to send emergency card information changes throughout the school year as they occur.

ACCESS TO RECORDS (3203) In 1975, the Buckley Amendment, also known as the Family Educational Right allows parents the right to view their child’s permanent record in the office. This record should also include academic transcripts. Academic testing, testing results from outside testers if submitted to the school by the parents are kept in the counselor’s office and health records are kept in the Health Coordinator’s file as well as any emergency information. Any parent wishing to review records must notify the school office in writing at least 24 hours in advance.

RELEASE OF RECORDS (3204) All materials in the student’s file shall be treated as confidential and shall be accessible only to the principal, members of the professional staff, to the legal guardian, the parents and to the student after his/her eighteenth birthday. (Family Educational Rights and Privacy Act, 1974).

NON-CUSTODIAL PARENTS’ ACCESS TO RECORDS St. Gregory the Great abides by the provisions of the Buckley Amendment with respect to the rights of the non-custodial parents. In the absence of a court order to the contrary, St. Gregory the Great will provide the non-custodial parent with access to the academic records and to other school-related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order. In the case of a custody dispute, the custodial parent is required to provide the school with a copy of the entire divorce decree with the judge’s signature. If a child is not to be released to a particular individual at any time, it is the responsibility of the parents to provide the school with official documentation to this effect. We ask that all divorced parents provide the school with a copy of the custody section of the divorce decree. This information will help the school in determining when, if ever, the child is to be released to the non-custodial parent.

REQUEST FOR AND TRANSFER OF STUDENT RECORDS (3205) Permanent Record Cards and Health Records will be released to a receiving school when that school applies directly by mail to the sending school. A release form signed by the parent or legal guardian must be obtained by the requesting school. If the student is transferring to a Catholic school within the Archdiocese, the original permanent record card and health records shall be transferred. A copy will be retained for the school’s records. If the student is transferring to a school that is not recognized as a Catholic
school within the Archdiocese, a copy of the student’s permanent record card and the original health records shall be transferred. All special education or psychological test results, which are to be released to a receiving school, must include a parent or legal guardian signed release of that information. The student’s original permanent record card or a copy is then placed in the inactive file with a notation made indicating to which school the student has transferred, the date and the reason for transfer.

**CONDUCT AND DISCIPLINE**

**CODE OF CONDUCT (3301)** Our Catholic faith calls for discipline that is derived from respect, compassion and understanding of each other. St. Gregory the Great joins the parents in accepting responsibility for teaching children to learn to control their own behavior and to be responsible for their own words and actions. Children are guided toward this goal in an atmosphere conducive to learning with a strong emphasis on spiritual and moral growth. Parents and students are expected to support the disciplinary process and to cooperate fully with the administration and the faculty in the enforcement of these policies. Lack of cooperation on the part of the parents and/or the student may jeopardize the present and future enrollment of a student. Additionally, it is important for parents to understand that the Administration reserves the right to modify and/or add new directives and consequences to the discipline policy, as individual circumstances require.

All employees of St. Gregory’s the Great will work together, along with parents and students to live by the four guiding principles for discipline based on respect for God, respect for self, respect for others and respect for property.

- **Respect for God**: Students are encouraged to practice the Catholic faith through:
  - Active participation in liturgies
  - Sharing Oneself through community activities
  - Reverence of God through their actions, including exhibiting reverence in church and prayer

- **Respect for Self**: Each individual is a child of God. Each student’s behavior reflects this self-respect through:
  - Propriety in dress
  - Use of proper body language, including posture and facial expressions
  - Fulfillment of all student responsibilities

- **Respect for Others**: Each student, parent, teacher, staff member, and visitor is treated as a child of God. Each student’s behavior reflects this respect for others through:
  - Cooperation with students, parents, teachers, staff members, and visitors
  - Treatment of others with kindness in word and actions, a no “bullying” expectation
  - Modulation of one’s voice
  - Preservation of privacy of others
  - Preservation of other’s personal spaces, a “hands-off requirement”

- **Respect for Property**: Students are expected to use facilities and material properly through:
  - Use of school property and equipment in that manner for which they were intended
  - Preservation of all these areas of the church and school campus by keeping them clean, neat, and tidy.
ANTI-HARRASSMENT ENVIRONMENT (3302) St. Gregory the Great has a bullying prevention policy and bullying prevention plan. The bullying prevention policy and bullying prevention plan is submitted annually to the Department of Catholic Schools for review and approval. It is the responsibility of all Catholic school leaders to ensure that a safe, positive and productive educational environment be established in each school, where no student shall be subjected to bullying, discrimination/harassment, cyber-bullying, or retaliation. The principal of each school and designated staff members (school counselor, lead teacher) with the oversight of the pastor, are collectively responsible for the implementation of bullying prevention and intervention procedures. The prohibition against acts of bullying, discrimination/harassment, cyber-bullying, or retaliation applies to all people engaged in all school related activities; all students, regular or temporary, part-time or full-time employees; volunteers, instructors, and consultants.

However, the person alleging the harassment will not be required to present a complaint to a person who is the subject of the complaint.

USE OF ELECTRONIC COMMUNICATION (3307) A safe environment for all members of the school community should be a hallmark of a Catholic school. This is accomplished, in part, by fostering a climate based on Gospel values that emphasizes the dignity of and respect for all persons. Words, actions, or depictions, which violate the privacy, safety, or good name of others, are inconsistent with that goal. Whether occurring within or outside of school, during or after school, when a student’s use of electronic communication jeopardizes the safe or harmonious school environment or is contrary to Gospel values, he/she can be subject to the full range of disciplinary consequences, including expulsion.

This policy applies to communications or depictions through email, apps such as snapchat or Instagram, text/sexting messages, or website and social media postings, whether they occur through the school’s equipment or connectivity resources or through private communication, which are 1) of a sexual nature; 2) threaten, libel, slander, malign, disparage, harass or embarrass a member of the school community or; 3) in the principal’s discretion, cause harm to the school or the school community. This conduct shall be subject to the full range of disciplinary consequences.

St. Gregory the Great reserves the right to confiscate and/or examine any electronic device in the student’s possession while on campus or at school sponsored events including, but not limited to, laptops, ipads, cellular telephones, watches, tablets, gaming devices, cameras, school-issued devices or other electronic communication equipment of any type.

Users of the school’s equipment or network should have no expectation of privacy in anything they create, store, send, receive or display on or over that equipment or using those connectivity resources, which includes personal files.

BRING YOUR OWN DEVICE (BYOD)

St. Gregory the Great Catholic School strives to provide appropriate and adequate technology to support instructional purposes. An important component of BYOD will be education about appropriate online behaviors. StG will instruct and review cyber-safety rules with students at the beginning of the school year, and frequently throughout the course of the school year, offering reminders and reinforcement about safe online behaviors. In addition to the rules outlined in these guidelines, students will be expected to comply with all class and school rules while using personal devices, both on and off campus, both with our network or personal connectivity. The use of technology is not a right, but a privilege. When misused, privileges may be withdrawn.

Device Types:
For the purpose of this program, the word “devices” will include: laptops, netbooks, ipads, and phones. Please note that Nintendo DS (and/or other gaming devices with internet access) are not permissible at this time.

Guidelines:
- Students and parents/guardians participating in BYOD must adhere to the Student Code of Conduct, Acceptable Use Policy and all Archdiocesan Policies, particularly Internet Acceptable Use.
- Each teacher has the discretion to allow and regulate the use of personal devices in the classroom and on specific projects.
- Approved devices must be in silent mode while on school campus, unless otherwise allowed by a teacher. Headphones may be used with teacher permission.
- Devices may not be used to cheat on assignments, quizzes, or tests or for non-instructional purposes (such as making personal phone calls, listening to music, watching movies, text messaging or any other social media postings).
- Students may not use devices to record, transmit, or post photographic images or video of a person or persons on campus during school hours or during school activities, unless otherwise allowed by a teacher.
- Devices may only be used to access computer files on internet sites which are relevant to the classroom curriculum.
Students and Parents/Guardians acknowledge that:

- The school’s network filters will be applied to a device’s connection to the internet and any attempt to bypass the network filters is prohibited.
- St. Gregory the Great Catholic School is authorized to collect and examine any device connected to the school network at any time.
- Students and parents should be aware that devices are subject to search by school administrators if the device is suspected of a violation of the student code of conduct. If the device is locked or password protected the student will be required to unlock the device at the request of a school administrator.
- Printing from personal devices will not be possible at school.
- Personal devices must be fully charged prior to school and run on battery power while at school. Charging of devices will not be permitted unless at a dedicated charge station.

Lost, Stolen, or Damaged Devices:
Each user is responsible for his/her own device and should use it responsibly and appropriately. St. Gregory the Great Catholic School takes no responsibility for stolen, lost, or damaged devices, including lost or corrupted data on those devices. While school faculty and staff will help students identify how to keep personal devices secure, students will have the final responsibility for securing their personal devices. Please check with your homeowner’s policy regarding coverage of personal electronic devices, as many insurance policies can cover loss or damage.

Usage Charges:
St. Gregory the Great Catholic School is not responsible for any possible device charges to your account that might be incurred during approved school-related use.

Network Considerations:
Users should strive to maintain appropriate bandwidth for school-related work and communications. All users will use the “SGTG Student WiFi” wireless network to access the internet. StG does not guarantee connectivity or the quality of the connection with personal devices. St. Gregory the Great Catholic School Technology department (WiseGuys IT) is not responsible for maintaining or troubleshooting student tech devices. During the course of the school year, additional rules regarding the use of personal devices may be added and enforced.

School users are expected to demonstrate the same level of ethical and professional manner as is required in face-to-face or written communications. Anonymous or forged messages will be treated as a violation of the policy.

- Unauthorized attempts to access another person’s E-mail or similar electronic communications or to use another student’s name, E-mail or computer address, laptop, ipad, phone, or workstation to send E-mail or similar electronic communications is prohibited and may subject the individual to disciplinary action.

Any attempt to violate the provisions of this agreement will result in revocation of the user’s privileges, regardless of the success or failure of the attempt. In addition, school disciplinary action and/or appropriate legal action may be taken. The decision of St. Gregory the Great regarding inappropriate use of technology or telecommunication resources is final.

Unacceptable communications (deemed unacceptable by the administration) that in any way diminish the reputation or threaten any person or persons at St. Gregory the Great Catholic School or church will be subject to one or more of the following:

Any student who has knowledge of the occurrence of any of the above infractions, which may be harmful to the perpetrator of the offense or other persons, has the responsibility to call the incident to the attention of school authorities. Failure to do so may be defined as involvement and will also be subject to disciplinary action.

**SEARCH AND SEIZURE (3310)** The legal relationship between St. Gregory the Great School and the student [or the student's parent(s) or guardian(s)] is one of contract law. The principal, and/or designee may search student desks, lockers and belongings including, but not limited to, handbags, briefcases, backpacks and other items in a student’s possession at any time.

**DISCIPLINARY ACTION (3401)** The following guidelines are utilized by all St. Gregory the Great Catholic School faculty and staff for establishing appropriate disciplinary action:

- Good classroom discipline is first and foremost the responsibility of the classroom teacher.
- Emphasis should be placed on positive reinforcement rather than on punishment.
- In dealing with student behavior, respect for the personal dignity of the student should be evident.
- Conferences and written communication between the home and school regarding infractions and reasons for continued dissatisfaction must be logged and kept on file by the teacher or staff member via discipline/behavior folders, and or Renweb.
- Conferences are typically held with the teacher first regarding disciplinary incidents or concerns.
- St. Gregory the Great administration, faculty and staff implement the Code of Conduct and Disciplinary Action in a fair, just, and loving manner with all students. Parent partnership, communication and support is imperative throughout this process. Discussions regarding the consequences of a student other than a parent’s own child is prohibited.

It takes both home and school, working together, to nurture in a child a sense of responsibility, the importance of good choices, and Christian values and morals. It is believed that daily communication between home and school greatly facilitates this cooperative effort. In order to realize this objective, student discipline and accountability at St. Gregory the Great School is in the form of a teacher signature system implemented throughout the grades. It is imperative that parents/guardians be kept informed of their child’s progress, whatever the grade level, with regard to conduct and work habits. Parents and guardians are strongly encouraged to check their child’s folder (grades Pre-K3 through 3rd grade). An email is sent to parents through RenWeb indicating conduct/responsibility infractions (grades 4th through 8th).

Every choice and every action has a consequence. Students respond better when the consequences for making improper choices are made clear to them from the beginning. With knowledge of the developmental level of the children, the teacher clearly conveys to the class his/her expectations in order to optimize learning for the individual and for all the students in the class. When expectations are not met, a teacher’s signature in the take-home folder (or other form of immediate communication) or student assignment book indicates the student’s infraction. For more serious infractions, more
serious consequences follow such as but not limited to a Student Office Report (SOR) and one of the following:

1. **Loss of Privileges**
2. **Detention**—If a teacher or administrator issues a detention, the student will serve the detention after school. Grades 4th-5th serve detention on Tuesday, Wednesday and Thursday from 3:45-4:30. Upper Unit will serve detention on Tuesday and Thursday, 3:45 to 4:45pm.
3. **Saturday School**—Saturday school is from 8:30 a.m. to 11:30 a.m. on a designated Saturday. For students who receive a Saturday school, a **$50.00 fee is assessed** via FACTS. Students must wear their school uniform and bring school work to complete. Saturday School is scheduled as needed.
4. **Off-Campus Suspension**—See Off-Campus Suspension
5. **SOR**—One or a series of infractions earns a Student Offense Report (SOR). The SOR serves as notification to parents of significant misconduct. The misconduct and its consequence/s are noted on the SOR. The SOR is to be signed by the parent/guardian and returned the following school day to the homeroom teacher or an administrator; parents should keep their copy of the SOR. Parent support in talking with their child and using their judgment in imposing their own consequences at home will greatly influence their child and increase the effectiveness of modifying the behavior.

*Note:* A parent’s refusal to sign a disciplinary report (detention, SOR, etc.) will not negate the report or the consequence.

A student may be issued a **Responsibility signature for:**
- Missing or incomplete assignments
- Failure to follow directions when given (verbal or written)
- Failure to be prepared for class
- Desecration of the assignment notebook (a new assignment notebook will be required to be purchased)
- Uniform violations
- Grooming violations

A student may be issued a **Discipline signature for:**
- Failure to follow directions when given (verbal or written)
- Chewing gum
- Desecration of the assignment notebook (a new assignment notebook will be required to be purchased)
- Disrespecting one’s own or another student’s books, supplies or property
- Excessive talking in class or church
- Inappropriate/Disrespectful behavior
- Passing notes in class (depending on the content this may be more serious than a signature)
- Disrespectful or disruptive behavior (this may be more serious than a signature)
- Inappropriate language (verbal or written), drawings or gestures (this may be more serious than a signature)
- Mistreating or making fun of others
- Speaking in a disrespectful manner to an adult
- Cheating (consequence depends on severity and context)

**Early Childhood and Early Elementary**  
**Grades PK3 through 2nd Grade Discipline Process**

Parents of students in grades PK3 through 2nd grade receive a report in the child’s take-home folder (or by another form of communication, i.e. telephone, email) of any significant infraction that has occurred during the school day. Consequences are commensurate with the infractions. Teachers will
make every effort to modify unacceptable behavior in the classroom. However, behavior that is disruptive or may injure or hurt another person is serious and may result in a loss of privilege, and a visit to the Administration office accompanied by a Student Offense Report or even suspension. If a student is physically aggressive, the student will be sent home for the remainder of the day. **The second SOR will result in a required conference with the parents/guardians to determine an effective plan of action. Three SORs for aggressive behavior may result in the child being withdrawn from school.** Academic progress, conduct, and social behavior are noted on the report card.

### 3rd - 8th Grade Discipline Information

Students in grades 3rd - 8th grade receive signatures for inappropriate conduct and lack of responsibility. Signatures for Conduct and Responsibility will be kept separately. Therefore, Conduct Grades will only be impacted from Conduct signatures and SOR's given for Conduct. Students who receive Signatures for responsibility only will not have their Conduct grade impacted. Teachers indicate misconduct or lack of responsibility on the Conduct/Responsibility Log via RenWeb.

#### 3rd Grade (per quarter)

- A student earning 5 signatures in Conduct or 5 signatures in Responsibility is sent to the Administration office for a conference.
- Earning 5 additional signatures (total of 10) in Conduct or Responsibility, results in a visit to the Administration office and a phone call to parents.
- Earning 5 additional signatures (total of 15) in Conduct or Responsibility results in the student earning a SOR and a Family Support Meeting.

#### 4th and 5th Grade (per quarter)

- A student earning 4 signatures in Conduct or 4 signatures in Responsibility will be issued a detention; detentions are served on Tuesday, Wednesday or Thursday from 3:45 pm -4:30 pm under the supervision of the teacher. Any changes to the date of detention will require advanced approval of the Administration. Any student who misses a detention without prior permission will serve two detentions. Students may participate in extracurricular activities on the day of the detention.
- Earning 4 additional signatures (total of 8) in Conduct or 4 additional signatures in Responsibility, results in 2nd detention and an SOR.
- Earning 4 additional signatures (total of 12) in Conduct or 4 additional signatures in Responsibility results in the student earning a SOR and a Saturday School.
- Earning 4 additional signatures (total of 16) in Conduct or 4 additional signatures for Responsibility results in an SOR, Saturday School (SS) and a parent meeting with the Administration.

**For 3rd - 5th grade:**

- The signature count will start over each quarter.
- Two or more SORs for either conduct or responsibility will result in a Family Support Meeting with the student, parents and the administration.

This process regarding discipline prepares the intermediate level student for the challenges of the upper-unit. Appropriate behavior, a sense of responsibility, and good work and study habits will
establish a foundation for better moral choices, academic success, good citizenship, and preparation for grades 6, 7 and 8, and beyond.

**Upper-Unit 6th, 7th and 8th grade Discipline Process**

At this level, the discipline process, signatures and consequences are more structured as the challenges for the older students are greater. Administration and faculty log in all discipline information in the RenWeb program. Parents have this tool of communication readily available to review their child’s attitude, conduct, and responsibility. It is imperative that parents/guardians be kept informed of their child’s progress with regard to conduct and work habits by accessing the RenWeb program on a regular basis.

The signatures recorded on RenWeb are cumulative only during the semester in which they occur (August through December and January through June). In other words, students “start fresh” in August and January.

**Consequences for Signatures:**

1. A student earning 3 signatures in Responsibility or 3 signatures in Conduct will result in an after-school detention. After-school detentions are held on Tuesdays & Thursdays. Parents will receive notice via Renweb. After-school detentions are served from 3:45 pm - 4:45 pm under the supervision of an upper-unit teacher. Students will be required to complete homework during detention.
   - Any student missing or late for a detention without making prior arrangements with an administrator will earn two detentions, one for the original infraction and the other for the missed or late detention.
   - The student may attend any extracurricular activity on the day the detention is served. However, it is at the discretion of the Coach and/or sponsor to determine if the student may participate or play that day.

2. 6 signatures in Responsibility or 6 signatures in Conduct will result in another after-school detention.

3. 9 signatures in the area of Responsibility or 9 signatures in Conduct will result in a Student Offense Report (SOR), Saturday School and a Family Support Meeting.

4. 12 signatures in Responsibility or 12 Signatures in Conduct will result in a Saturday School, a 2nd SOR and a parent meeting with the Administration in which a behavior contract will be issued.

5. 13+ Signatures in Responsibility or 13+ Signatures in Conduct will result in a Student Offense Report (SOR), Saturday School and a Family Support Meeting.

6. Grooming/Dress Code infractions are given a responsibility signature.

The loss or destruction of an Assignment Book is serious. Students are responsible for locating the lost book or purchasing a new one within two school days. Depending on the student’s record of conduct and responsibility, a signature may be issued for a lost Assignment Book. This will be at the discretion of the administrator.
Student Offense Reports, In-School Suspensions, and Off-Campus Suspensions (3402)

Student Offense Report (SOR) Process and Policy:
A Student Offense Report (SOR) is earned by one, or a series of, infraction/s. It serves as notification to parents of a significant infraction. The infraction and its consequence are noted on the SOR.

- SOR’s for conduct only will affect the conduct grade.
- 2 or more SOR’s will result in a parent conference and or a family support to discussed students attitude, behavior and/or lack of academic achievement.
- Once a student receives a 3rd SOR there is a clear pattern of misbehavior and/or poor attitude and the status of continued enrollment will be an issue.

In-School Suspension (ISS) Process and Policy (3402)
In-School Suspension (ISS) will be given for serious infractions at the discretion of the Administration.

- The student is removed from the classroom for the day and placed in an on-campus setting with a supervisor. The student is expected to complete all assignments and any scheduled tests that the teacher sends to the ISS supervisor.
- There is a $50.00 ISS fee added to FACTS tuition the day the student serves the ISS, and must be paid within 2 weeks of billing.
- The process remains the same for the second ISS.
- During the course of the school year, any student who earns a third ISS, will automatically receive an Off-Campus Suspension and will be placed on probation for the remainder of the school year with a behavior contract; NO extracurricular activities or events unless otherwise specified. A parent conference with the counselor and an administrator will be required and the status of continued enrollment will be in jeopardy.

Off-Campus Suspension (OCS) Process and Policy An Off-Campus Suspension (OCS) may be issued to a student for one serious infraction, for repeated infractions, or for three In-School Suspensions.

- Parents/guardians will be notified of any OCS via the SOR and phone call and/or in-person conference.
- An OCS requires that the student be picked up from school for the remainder of the day or the student may be issued a full one-day or two-day suspension depending on the severity of the infraction. An all-day suspension (one or two days) requires a meeting with a parent upon the student returning to school.
- The student will be ineligible for extracurricular activities during the days the OCS was served and will receive a “U” in Conduct on the report card.
- The student is responsible for completing all class and homework assignments on the due date.
- A student serving a two-day off campus suspension will be placed on probation for the remainder of the school year. The student may not participate in extracurricular activities.
- If a student has served a two-day OCS and earns another OCS while on probation, a meeting must be scheduled with the student, parent/guardian, administrator, and pastor. Expulsion may be necessary in the best interest of the student and student body.
- If a student shows no marked improvement or gives the impression that he/she has no intention of improving behavior or attitude, through his/her actions, the principal may ask the parent to remove the child from the school. If the parent refuses to remove the child from school, Administration can expel the student.
- The OCS process and policies apply to all students in grade PreK3 through 8th grade.
Behavior Contracts:
Students with repeated discipline issues may be placed on a Behavior Contract. A Behavior Contract is an agreement amongst the student, the parent/guardian, and the school to help the student become more aware of the issues that are causing problems, and ways to help the child move away from such behaviors. Behavior Contracts state that should a student not abide by the contract, and work on correcting the disruptive behavior, they may be denied the privilege of attending StG for the remainder of the school year, and/or the following school year.

Serious Infractions
For any infraction, it is the judgment of the Principal or designee to invoke a severity clause. The consequences based on the severity of the action will be at the discretion of the Principal, designee, and/or pastor, and may result in a Student Offense Report, In-School Suspension, Off-Campus Suspension, and/or Expulsion.

The following are examples of, but not limited to, the types of behaviors that are not tolerated at St. Gregory the Great Catholic School at any time:

- **Forbidden Items** - bringing to school any non-school supply or item that is inappropriate or can harm another without specific permission from the teacher or administrator. Items collected will only be given back to the parent.

  - Is sufficiently, severe, persistent, and pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student.

  - Exploits an imbalance of power between the student perpetrator and the student victim through written or verbal expression or physical conduct; and
  - Interferes with a student’s education and substantially disrupts the operation of a school.

- **Harassment**: Is defined as physical, verbal, or non-verbal conduct based on the student’s race, color, religion, gender, national origin, disability, or any other basis prohibited by law that is so severe, persistent, or pervasive to the conduct:

Parents will assume the cost of repair or replacement of any school property damaged by the student. Any taking or damaging of another person’s property will require replacement of such stolen or damaged items.

- **Graffiti** - any defacing of school property or the property of a student or teacher.

- **PDA** - any public display of affection to include kissing, hand holding, sexual, vulgar or profane behavior; possessing, writing, downloading/uploading any material that is sexual, profane, or offensive in nature is prohibited. Disciplinary action will be applied.

- **Cell phones** - use of cell phones during school hours is prohibited unless is requested by teacher for part of lesson (includes Before School Care and After School Care).

### CELL PHONES & SMART WATCHES

Students are permitted to have cell phones on campus, however, they must be **turned off and out of sight**, by the 8:00am bell, (in lockers for UU students) unless the teacher permits use for instructional purposes. Confiscated phones will be turned into Administration and will only be returned to a parent or guardian and a fine will be added to the student’s FACTS account (to be paid within 2 weeks of billing).

**Smart Watches are prohibited** and will be confiscated and turned into the Administration office and will only be returned to the parent or guardian. Students may receive disciplinary consequences for failure to follow cell phone/smart watch policy. Cell phones may not be used during extra-curricular events nor be used by participants.

**The use of a camera or video function on a cell phone is prohibited on campus at all times.** Violation of this policy will result in disciplinary consequences. St. Gregory the Great employees shall confiscate any cell phone/smart watch from students who violate this policy. Any student possessing a cell phone on campus must have a cell phone contract on file with the Administration office.

EXPULSION (3403) A student may be expelled from school when other means of discipline have failed. A student may be immediately expelled from school for certain very serious infractions and/or after a single violation if, despite his or her previous disciplinary history, the student’s continued presence in the school would seriously hamper the school in fulfilling its obligation to other students. Expulsion is a serious matter and implemented only as a last resort. Normally it will follow a grave offense or a series of chronic offenses indicating a basically hostile attitude. When such a serious case arises, the following procedures will be followed:

- There will be a documented conference of the principal, teacher and student. If the problem cannot be resolved, the student is suspended.
- This is followed by a documented conference of the principal, teacher and parents. If no solution is reached, another conference is held with the Pastor present.
- The principal and pastor then decide either to readmit or expel the student. If readmitted, the student is on probation for the remainder of the school year. If the decision is for expulsion, the Archdiocesan Superintendent of Catholic Schools is notified and given a brief written explanation of reasons for the expulsion.

IMMEDIATE EXPULSION: A student will be subject to immediate expulsion when he/she:

- Participates in disruptive activities by a group such as a gang.
- Arson, starting a fire or causing an explosion with the intent to destroy or cause damage.
- Possesses, uses, or delivers narcotics, dangerous drugs or alcohol on school campus or during school-sponsored activities.
- Smokes or uses any tobacco or vaping product on school property or at a school-related activity.
- Possesses, uses or conceals a weapon (a weapon is any instrument which may produce bodily harm or death) on school property or at a school-related activity.
- Threatens any student, parent or any school personnel with bodily injury or harm.
- Assaults a student, parent or any school personnel.
- Vandalizes school property or the property of others.
- Engages in chronic or repeated misbehavior that disrupts the learning environment.
- Behaves in any manner inside or outside of school that would negatively impact the reputation of the school in a significant way that includes but is not limited to sexting, sexual behavior, pornography, promiscuous behavior.

In imposing discipline, the principal or designee will consider the seriousness of the offense, the student’s age and grade level, the student’s attitude, and the potential effect of the misconduct on the school environment.

READMISSION POLICY: Once expulsion has occurred or a student has been asked to withdraw for disciplinary purposes, readmission will not be permitted within the same school year or the following school year. Under special circumstances, admission may be allowed in subsequent years after review and approval by the pastor and principal.

THE BULLY PREVENTION PLAN IS SUBJECT TO CHANGES AT ANY TIME AND WILL BECOME EFFECTIVE IMMEDIATELY.

GRIEVANCE PROCEDURES FOR STUDENT EXPULSION (3404) This policy and procedure shall apply only to instances of student expulsion.

PROCEDURE:

Prior to the initiation of a formal grievance parents who seek redress for their expelled child must first confer directly with the principal (“conference”) for resolution of the situation. If there is not a satisfactory resolution of the complaint, the following are steps in the formal grievance procedure:

1. A written statement of the complaint including a brief summary of the initial conference must be prepared and filed with the School Council Secretary within (3) school days of the conference, or decision resulting there from, whichever is later. The date and time of filing will be recorded on the original of the complaint.

2. The school council secretary will, within 24 hours of filing, inform and forward the grievance to the Local Grievance Council (“LGC”), who will review the grievance proceedings. If it deems necessary, the LGC may hear further statements, evidence or arguments within (7) school days of its receipt of the grievance. The LGC will render a decision within (10) school days of its receipt of the grievance.

3. If the aggrieved party is not satisfied with the decision of the Grievance Council, an appeal may be made to the pastor within (3) school days of the decision of the Grievance Council. The pastor will review all documentation of the grievance procedure and set a date for hearing the grievance with all parties of the initial grievance in attendance. This meeting will take place within seven (7) school days of the pastor's receipt of such an appeal. The pastor will then render his decision within five (5) days.

4. If the aggrieved party remains unsatisfied with the decision of the pastor, the avenue of further appeal would be with the Archdiocesan Grievance Council. Such an appeal must be sent in writing within five (5) school days of the pastor's decision.

5. Pending outcome of the formal grievance, only the principal or pastor may, with or without condition, abate the expulsion or the termination.
LOCAL GRIEVANCE COUNCIL – COMPOSITION:

1. The Local Grievance Council shall be composed of three members appointed by the St. Gregory the Great School Council.
2. Individuals appointed to this council should be people of integrity with some expertise in education, human relations, and conflict management, if possible.
3. One member may be a present or former School Council member. The other two members should have no direct relationship to the school.
4. The appointment of the Local Grievance Council is for one year and is renewable.

LOCAL GRIEVANCE COUNCIL - DUTIES AND PROCESS:

1. Both parties to the grievance will prepare a complete written statement of the nature of the grievance and the remedies sought. The LGC will review these statements and the procedures followed and decide if additional steps need to be taken or if it will uphold the decision of the principal.
2. If the decision of the LGC is to uphold the principal’s decision, then the process moves to No. 8.
3. If the decision of the LGC is such that it feels that an additional discussion of the situation needs to take place, it will call a meeting of both parties to the grievance.
4. Each party to the grievance may be accompanied by one other individual who is not an attorney and who will act as observer/advisor. This individual is not to directly address the LGC.
5. Both parties will appear before the LGC together and make an oral presentation. The aggrieved party will make the first presentation. At no time is there to be cross-examination or direct discussion between parties to the grievance.
6. After both presentations have been completed, the LGC will enter into closed session to consider the oral and written presentations.
7. The LGC may recall, together, both parties to the grievance for clarification of points that may have been raised in either of the written or oral statements.
8. The LGC will render its recommendation in writing to both parties involved.

GRIEVANCE FOR NON-EXPULSION (3405) All grievances that do not result student expulsion will be resolved at the local school level. Neither the Local Grievance Council nor the Archdiocesan Grievance Council will hear these matters.

St. Gregory the Great Catholic School recognizes that misunderstandings or conflicts can arise in the course of managing a school. While most issues are able to be resolved, there are times when an individual may want a specific policy, action or decision reviewed.

St. Gregory the Great Catholic School provides all individuals an opportunity to be heard and redress any issues regarding policies, regulations, or decisions that are perceived to be unfair to any individual or group. The “Parent-Student Handbook” is the official source for student conduct and disciplinary policies.

In case of disagreement of an interpretation of the handbook or actions taken by the school, the following steps need to be taken: Prior to initiating a formal grievance, parents who seek redress for their children in matters of policy, regulation, or discipline must first confer directly (either face-to-face or by telephone) with the teacher, staff member, or administrator whom the parent disagrees with to discuss a resolution of the situation.

If a satisfactory resolution is not reached after both parties have conferred, the complainant(s) may file a formal grievance using the following steps, procedures and timelines:
Step 1: The complainant(s) will submit a written grievance to the school principal including a brief summary of the outcome of the initial conference with the other party involved. If the complaint involves the principal, the written grievance should be submitted directly to the president of the St. Gregory the Great School Council and start the process with Step 3.

Step 2: The principal will contact and meet with the complainant(s) within three school days of receipt of the written grievance. In cases involving student grievances, the parent(s) and child will be required to attend this meeting.

Step 3: If the complainant(s) and the principal are unable to reach a satisfactory resolution, the complainant(s) will have three school days from the date they met with the principal to submit a written grievance to the School Council President for further review.

Step 4: The school council president will have up to ten school days from receipt of the written grievance to assemble a School Council Redress Committee (consisting of three members of the school council) to review the grievance, conduct a thorough investigation of the facts, policies and procedures, hear testimonies if appropriate, and render a written decision to the complainant(s).

Step 5: If the complainant(s) is/are not satisfied with the decision of the School Council Redress Committee, a written appeal may be made to the pastor within three school days from receipt of the written decision from the School Council Redress Committee.

Step 6: The pastor will review the grievance, meet with all appropriate parties, and render a decision within ten school days from the date of receipt of the written appeal. The pastor’s decision is final.

This policy is intended to ensure that conflicts and issues are reviewed and handled promptly. The process is arranged in a logical sequence, and the complainant(s) must complete each level in order before proceeding to the next. The process ends whenever the complainant(s) initiating the grievance accepts a decision or with the pastor’s decision.

At times it may be impractical to arrange meetings within the specified time limits of this procedure. In these circumstances, the pastor, principal and/or school council president may make modifications to the procedure as necessary.

EXTRACURRICULAR ACTIVITIES

STUDENT ORGANIZATIONS and EXTRA CURRICULAR ACTIVITIES ELIGIBILITY (3500)
The school principal must approve all social events scheduled at St. Gregory the Great School. These functions must have a sufficient number of adults in attendance as chaperones. Students who fail to conduct themselves properly at any social function will be asked to leave (parents/guardians will be called to pick up the student) and will be subject to disciplinary action by the principal or designee. All extracurricular activities, sponsored by or held in the school, are considered to be learning experiences and must be supervised by school personnel. Students must have a permission slip signed by parents/guardians to attend a dance. Written permission from a parent/guardian must be given to a teacher/chaperone in order for a student to leave with another student.

Enrichment of student life at St. Gregory the Great School is offered in a variety of ways. Clubs and organizations appeal to the interest of many and are offered for the purpose of making the student’s
life more meaningful and enjoyable. Students are encouraged to seek out a club or clubs in which to share their particular interests and talents. However, no student will be permitted to participate in extracurricular clubs, cheerleading squad, or organizations, if more than one subject grade falls below "70" or the grade in any rotation subject is an “S-” or lower at the time of progress reports or report cards. (National Junior Honor Society members and Student Council officers have different standards; see next page.) At this time, every student's academic and conduct status will be checked to make sure school and/or league eligibility standards are met. If a student does not meet these standards, he/she will be ineligible for participation and will be placed on inactive status until the next progress report or report card. No failing grade will be recomputed for eligibility purpose after the initial grade check has been made until the next scheduled report card is issued. NO exceptions. If the student is still ineligible at the following reporting period, the student will be removed from the organization or team. Students who are academically ineligible during athletic or cheerleading try-outs may try out for the team or squad. Ineligibility does not usually apply to religious activities or religious events.

Eligibility for holding student organization office is open to all qualified students. In order to qualify, a student must meet scholastic standards and also be current in all tuition and fee obligations. Students running for such office will follow the procedures established by the Constitution and By-Laws for that specific club or organization. Any student who holds a student office will be automatically removed from that office should the student be placed on academic or disciplinary probation or be suspended from school.

The following are requirements for all candidates for the Student Council Executive Board:

- Be passing all core subject and rotation classes.
- Have conduct grade of satisfactory or outstanding.
- May not have received an ISS or OCS in the current quarter
- May not be on academic or disciplinary probation.
- Possess citizenship and leadership qualities.
- Be current on all tuition and fee obligations.

A student earning an “I” or “U” in Conduct/Responsibility and/or a failing grade in any subject on the report card, will be suspended from his/her duties as an officer of the Student Council.

To be eligible and to maintain National Junior Honor Society status, a student must:

- Be in good standing academically (progress reports and report cards) and behaviorally (report card periods):
  - Maintain a grade point average of 90% or higher in all major subjects; S or better in rotation subjects
  - Maintain an S or better in Conduct/Responsibility on the report card; no SOR, ISS or OCS.
- Demonstrate the qualities and requirements of Leadership, Character, Service, and Citizenship as stated below.

A student is placed on probation from NJHS for academic ineligibility or for receiving an SOR, ISS, or OCS (which would result in an S-, I, or U on the report card). He/she is immediately suspended from all meetings, activities and events sponsored by NJHS until the next report card period when the appropriate improvements are noted. If the necessary improvements are not made or the student receives a second SOR during the school year, he/she will be suspended as an NJHS member and will not be invited to reapply for membership. These standards are commensurate with the National Standards for membership in NJHS.

It is the responsibility of the sponsor to check regularly on these criteria in order for students to remain eligible for each organization. A sponsor may remove a child from a specific organization or activity if the behavior choices of the child negatively affect the group or activity.
SPECIFIC ACTIVITIES
Eligibility criteria applies to the following organizations:

**EMERGENCY PROCEDURES**

**BUILDING SAFETY PROGRAMS (5201)** St. Gregory the Great School meets all safety standards according to city ordinance and Archdiocesan Risk Management Programs.

**CRISIS MANAGEMENT PLAN (5202)** Crisis Management requires planning, practice, and clear thinking. No school can be fully prepared for everything that might occur at school or school-related activities; however, implementing a plan helps faculty, staff and students prepare for sudden
occurrences and deal with them in a safe, professional manner. Consequently, crisis drills will be conducted at various times during the school year. Should the school have to be evacuated for a major emergency; students will be escorted to Dellview Elementary School until it is safe to return to the campus. Usually emergencies requiring evacuation involve the police and/or fire department, which will issue directives as to how the situation will be handled.

Our Stg campus utilizes a video/audio camera system as part of our safety and security plan. In addition to emergency fire pull handles, emergency Police pull down handles have been installed throughout campus to be activated in an emergency. (Blue Point System)

During any CRISIS DRILL, a LOCKDOWN (5206) procedure is followed:

- Door windows are covered and blinds/curtains are closed.
- Students are instructed by the teacher to take a duck-and-cover position in the classroom out of sight of anyone who might be looking into windows or doors.
- Teachers will barricade doors if necessary
- Students are expected to remain silent until an all-clear signal is given.
- During a lock-down, all school lines need to remain clear for emergency personnel. Updates will be sent out via Facebook and text alerts.

BOMB THREAT (5203) If the school receives a telephoned or written bomb threat, the following procedures will be observed:

- The school is evacuated as for a fire drill.
- The police are immediately informed. This is a police matter. The police will determine the course of action.
- The pastor and superintendent are informed immediately.

FIRE DRILLS (5204) Monthly fire drills are conducted as a precautionary measure for the safety of the students for two purposes: (1) to train students to leave the building in an orderly manner and quickly in case of emergency alarm; and (2) to teach self-control and composure in emergency situations. Fire drills will be held in accordance with the rules of the local Fire Department and in cooperation with the State Organization for Fire Prevention. Fire Drill Plans, which include evacuation routes and safety zones, are posted in all classrooms and offices. When the fire alarm sounds, students silently and rapidly leave the building in an orderly manner, under supervision of the teachers, to the designated safety zones, leaving all personal belongings behind. Lights need to be turned off and doors to the classroom closed. If the fire signal sounds while students are in the cafeteria, on the playground, or anywhere other than the classroom, they will go to the nearest safety zone under the supervision of the teacher in charge. An all-clear signal is given to allow students to return to class.

StG complies with the state Fire Marshal’s mandatory school fire exit drills that requires that campuses conduct at least one fire drill each month that has ten (10) or more instructional days. This includes summer school programs. Each fire drill should be slightly different, some obstructed and some unobstructed. The principal must record and file the date and time of each fire drill and other emergency evacuation drill. School personnel shall be trained in the use of fire extinguishers and fire safety equipment. A warning system different from the fire alarm and not dependent on the electrical system of the school shall be established to alert school personnel in case an emergency condition arises during the school day. (For example, use of the PA System, a special verbal “catch phrase” announcement delivered in person from room to room, etc.)

The fire drill/response plan included in the StG’s crisis response plan includes:

* The designation of places where students will be taken (i.e., reunification site).
* The supervision of practice drills at regular but unscheduled intervals.
* If there is a fire, the Pastor/authorized agent and Superintendent are to be notified immediately.

60
TORNADO DRILLS (5205) To help protect students in case of a tornado or other storm with extremely high winds, tornado drills are held within the school year. The Tornado Warning Signal will consist of 1 long continuous bell tone followed by and all-call announcement “A tornado warning has been issued for our area—Please seek Shelter.” Students should be kept inside, away from windows/glass and preferably near and interior hallway. Students who are in the ECH building should move to an interior hall and presume the protective position. Students in the Music building and portable classroom # 30 and 31 will move to the ECH building (interior hallway). Students in the 3rd grade rooms, Spanish room, locker rooms, and Stream room should move to the gym. Students in the gym should remain in the gym and move to the restroom area. Classes in the large computer lab, Collaboratorium, and Title 1 Building should move to Room 5. Learning Lab Class will move to the Library (away from the back doors). All those in the Church will remain in the church and assume the tornado safety position. All those on the playground or in passing period will move to the nearest designated space (see above). Students who are in the restrooms (Not ECH) will remain in the restroom and assume the tornado safety position. Advancement office will take cover. At the conclusion of the drill, a bell will beep 3 times and an all-call will go out to give the “All Clear.”

SERVICE LEARNING (6008): St. Gregory the Great has developed a service program that is developmentally appropriate for students, rooted in and growing from real-life situations and regularly evaluated in the light of Gospel values. Each grade level Pre-K 3 through 8th grade adopts a charity or organization that the class prays for on a daily basis throughout the school year. In addition, the homeroom teacher works with the students to provide a service to this charity or organization on a quarterly basis.

STUDENT SERVICE HOURS (6th-8th): In addition to the Service Learning Program, St. Gregory the Great Catholic School requires that all Upper Unit students complete a designated number of service hours throughout the year. Students in the sixth grade must earn a minimum of ten service hours; students in the seventh grade must earn a minimum of fifteen service hours; students in the eighth grade must earn a minimum of twenty service hours. Upper Unit students are required to complete these hours at a non-profit organization or charity. A few suggestions include but are not limited to the San Antonio Food Bank, Habitat for Humanity, Humane Society, service projects completed with Boy/Girl Scouts, Kinetic Kids, and St. Gregory the Great Catholic Church and/or School.

Service Hour Guidelines:
- **Students** are required to submit a completed service hour form to the Service Hour Coordinator within a month of their completion.
- One half of the Service Hour requirement is due by the fall deadline and the remainder is due by the spring deadline.
  - Fall deadline is the first Friday in December – **December 1, 2019**
  - 8th grade spring deadline is the first Friday in May - **May 1, 2020**
  - Spring deadline is the second Friday in May - **May 8, 2020**.
- Service Hours should be completed at a non-profit organization.
- Family babysitting and chores are not acceptable service hours.
- Grade level service projects may not be counted toward service hours.
- Required club, organization, or team activities may not count toward service hours.
- Service during the school day is not accepted towards the required hours. Only service given outside of school hours is considered service that will count towards the required hours.
Failure to perform service hours and failure to meet deadlines will result in the following consequences:

- Conference with the Service Hour Coordinator;
- Not being eligible for National Junior Honor Society membership invitation;
- Not being allowed to participate in school extracurricular activities to include Field Day, athletics, field trips, clubs and organizations until the service hour requirement has been met;
- 8th Grade students will not be eligible to participate in the 8th grade trip, 8th grade luncheon nor graduation until the service hour requirements are met.

**CURRICULUM AND INSTRUCTION**

The curriculum followed at St. Gregory the Great School is in accordance with the Archdiocesan Curriculum and Instruction Policy (8001) and is aligned with national and state standards.

**CURRICULUM DOCUMENTS (7001)**

St. Gregory the Great has curriculum documents, which at a minimum utilize the Texas Essential Knowledge and Skills (TEKS) and Archdiocesan Standards, in place for use in instructional planning as well as a process for assessing and documenting student mastery of curricular objectives.

**CURRICULUM OBJECTIVES (7002)**

The distinct purpose of the Catholic school is to proclaim the Gospel message, to build community, and to educate. Within the school community the teachers, priests, parents and students experience what it means to live a life of prayer in the following ways: community, personal responsibility, and freedom, manifesting the Gospel values of peace, justice, community, love, patience, reconciliation, and respect. To achieve this purpose, St. Gregory the Great School organizes its curriculum, its staff, and its physical facilities in order to:

- Make known to all students the person and message of Christ and help students develop a spirit of prayer and worship.
- Assist the students in developing an understanding of Christ’s Church, its community growth and world dimensions.
- Develop in all students a respect for the rights of others, as individuals and as groups with moral and spiritual values, ethical standards of conduct, and basic integrity.
- Provide for all students educational opportunities and experiences related to their heritage, and their responsibilities to family, local community, and the larger society.
- Enable students to acquire basic skills, especially in the art of communication, quantitative and qualitative thinking, and the sciences.
- Help students develop the power to think constructively, solve problems, reason independently, and accept responsibility for self-evaluation and self-instruction.
- See that all students have available experiences to develop a sense of wonder and an appreciation for beauty and culture as their knowledge of human development expands.
- Help students to develop and foster physical and mental health and constructively manage the psychological tensions inherent in change and adaptation.
- Ensure that students follow the Catholic expectations of reverent prayer.

Curriculum implementation at StG follows the standards of the Archdiocese of San Antonio that are developed using the Texas Essential Knowledge and Skills (TEKS) and aligned with national curriculum standards with the integration of Gospel values and the teachings of the Catholic Church. Special programs and courses outside of TCCB ED standards may be established by schools in consultation with and an approved waiver issued by the Superintendent.
St. Gregory the Great offers a balanced curriculum of Religion, Reading/Literature, Language Arts, Mathematics, Social Studies, Science, Spanish, Health, Physical Education, Fine Arts, and Technology Integration. Spanish is taught to pre-kindergarten through 5th grade as a rotation class and in 6th, 7th and 8th grade as a major subject. Our PK-3 curriculum is “Big Day for PreK”. The research based Success for All (SFA) Reading curriculum is used for Pre-K 4 through fifth grade. A vertical alignment in Math connects skills throughout all grade levels, pre-kindergarten through 8th grade. A strong focus on writing in all grades pre-kindergarten through 8th grade is evidenced with our Language Arts adoption of “The Write Source” through 8th grade which infuses rigor, sets high expectations, and emphasizes higher order thinking skills that challenge students. Literature and English courses are combined in Upper Unit to form a complete ELA program which prepares students for High School and beyond. Upper Unit students also have a STREAM class period, while PK-3 through 5th grade has a STREAM class as a rotation.

CURRICULUM REQUIREMENTS (7003)
St. Gregory the Great maintains a balanced curriculum including religion, language arts (English-grammar and composition, reading, vocabulary, spelling, handwriting), science, mathematics, social studies, fine arts, health, guidance, physical education, technology applications and foreign language. StG follows the TCCB ED requirements.

HONORS CLASSES: Placement in honors classes in 7th and 8th grade is based on the following criteria: standardized tests scores, end-of-year diagnostic assessment, end of year grade point average, and recommendation of the classroom teacher regarding the student’s motivation, initiative, preparedness and participation. Students enrolled in honors classes must maintain high grade point averages and show initiative to remain in the honors class.

Beginning with the 2017-2018 Academic year, St. Gregory the Great became San Antonio’s first fully integrated STREAM school.

WHAT IS STREAM? STREAM is an acronym for Science, Technology, Religion, Engineering, the Arts, and Math. At St. Gregory the Great Catholic School, our mission is to nurture in our students personal, spiritual, and academic growth through prayer and Christ-like service. In order to educate the whole child, we have taken the principles of STEM and infused Religion across all core subjects. We have also added the Arts to provide students the creative thinking skills necessary to effectively communicate and advance in the real world.

In the STREAM classroom, there is a flow of ideas over and across several subject areas. The success of the STREAM program at St. Gregory the Great requires a continuous flow of communication, collaboration, and planning among faculty, staff, administration, parents, and students.

STREAM is NOT a new curriculum, but a framework for creative instruction and the facilitation of learning. STREAM uses technology to advance the experience. Students will receive a balance of traditional instruction and project based learning. They will use the science lab, whiteboards, iPads, and laptops to access the internet to explore, process, and apply concepts taught.

WHAT IS THE EFFECTIVENESS OF STREAM? While students from Catholic schools consistently outperform their peers in public schools, we are raising the bar to keep our competitive edge. Across the country, business leaders are having difficulty finding enough talent to stay competitive in their field. Our children need to be able to inquire, think, investigate, and innovate to succeed in their education career and beyond. STREAM will help prepare our students for successful careers in a 21st century workforce.

HOW CAN AN ORGANIZATION GET INVOLVED TO HELP FUND OR VOLUNTEER AT StG? To volunteer, partner, or provide funds to St. Gregory the Great Catholic School, please
contact, our Advancement and Enrollment Office.

**AS AN INDIVIDUAL, HOW CAN I BECOME INVOLVED?** There are a variety of ways parents, grandparents, alumni, parishioners, and other supporters of Catholic Education, can help successfully implement STREAM at St. Gregory the Great Catholic School. We welcome any expertise in any subjects relating to science, technology, engineering, the Arts, or Math. Please contact, one of our STREAM Coordinators – Mrs. Rosemarie Mayhan or Mrs. Sara Martinez to volunteer.

**HOW ELSE CAN I HELP?** If your strength is in grant writing, fundraising, community outreach, marketing, public relations, or video technology, you can help fund or promote the STREAM initiative. Those who want to be more hands-on may be able to volunteer to assist running afterschool, evening, or STREAM projects.

**10 CHARACTERISTICS OF STREAM**
1. Integrate Catholic identity in every aspect of the curriculum
2. Provide a challenging learning environment
3. Promote a culture of innovation
4. Increase content literacy
5. Increase participation of groups that are under-represented in the sciences
6. Students become full participants in 21st century education
7. Foster an environment that encourages problem solving, group collaboration, and independent research
8. Success is defined in many ways and can occur in many different learning environments
9. Utilize strategic planning to guide development and implementation

**COPYRIGHT (7005)** All employees, volunteers, and students will abide by the federal copyright laws. Employees, volunteers, and students may copy print or non-print materials allowed by: 1. copyright law, 2. fair use guidelines, 3. specific licenses or contractual agreements, and 4. other types of permission. Employees, volunteers and students who willfully disregard copyright law are in violation of Archdiocesan policy, doing so at their own risk and assuming all liability.

**MOVIE REVIEW (7006)** Movies, regardless of the students’ grade level or whether the movie, film or program is in a theater, downloaded or streamed, are to be age appropriate and pertinent to curriculum. Any movie or program that is not rated “G” or “TV-G” must be previewed by the faculty member wishing to show the movie or program and receive prior approval from the administrator. There are no exceptions to this policy unless approval is given by the Superintendent.

**LIBRARY SERVICES:** St. Gregory the Great School library provides a variety of reading materials. The collection is accessed with the Follett Destiny operating system. The StG Library provides access to the Internet to search our inventory, do educational research, read E-books, or take Accelerated Reader quizzes through a set of ipads exclusively for the Library. The library manger provides answers and assistance in finding materials to accommodate requests of teachers and students. The library manager shows students how to easily access our collection of E-books from the library ipads, or anywhere our students have access to the internet. http://StGlibrary@folle ttdestiny.com.

The Accelerated Reader reading comprehension program of books and accompanying quizzes are available for individual student use starting in January of 1st grade. All students are encouraged to utilize the services and programs of the library. A variety of incentives are provided.
The Mother Mary Magdalen Book Club honors the first principal of St. Gregory the Great and is offered to all families at St. Gregory the Great who wish to donate a book to the school library in honor of a birthday, and/or special occasion.

Pre-K3 through 3rd grade are scheduled for library classes once a week. During this time, the students borrow and return books, learn library skills and acquire knowledge of various genres, authors, the Dewey Decimal System, and take Accelerated Reader quizzes. The librarian encourages the students to choose books that will match their reading ability and interests. Students may borrow books for one week and may renew the book for another week. If a book is not returned on time, another book may not be checked out.

4th through 8th grades classes visit the library every other week. Assistance is provided to accommodate individual requests. 4th through 8th grade students may borrow books for a two-week period and may renew for another two weeks, if necessary. If a book is not returned on time, another book may not be checked out.

If a book is lost, the full cost of replacement is required. The students will be given a computer printout reminder for late books on progress report and report card day and parent/guardian will receive an e-mail. After reminders, replacement costs for books overdue by one month will be added to a student’s FACTS account. After the account has been charged, there will be NO REFUNDS. If a family chooses to purchase a book and give it to the library as a replacement for a lost or damaged book, there will be a $2.00 processing fee assessed. Fees for damage to books will incur as well. These fees will be added to student’s FACTS accounts and must be paid within one month of billing.

The library is open from 7:30 a.m. until 4:00 p.m. daily. The library is for student use only. The library is closed to visitors if there is a class in the library. Students must be supervised by teachers or other school personnel while using the library at all times.

SCHOOL SPONSORED ACADEMIC EVENTS: St. Gregory the Great School encourages participation in other academic events which are normally held outside of school hours and in which transportation is normally provided by the participants’ parents. Examples of these events are CAAC, Speech Tournaments, Spelling Bees, History/Science Fairs, etc. The rules for participation in these events are provided specifically for each event. Since other schools normally sponsor these events, all students and parents will abide by the special rules of the sponsoring school or organization.

GRADING POLICY

BUILDING STRONG FOUNDATIONS (7103) St. Gregory the Great recognizes that the academic success of each student as an important goal and therefore utilizes a positive solution based process titled Family Support Team Meeting. St. Gregory the Great has in place a multi-tiered system of support (Building Strong Foundations) as a systematic data driven process of identifying and supporting students with academic, social-emotional, or behavioral needs. The goal of Building Strong Foundations is to identify students who are at risk for not meeting grade-level standards and to intervene early. StG’s implementation of Building Strong Foundations should include, to the best of the school’s abilities: a system for early identification of at-risk students, a system of identifying and documenting interventions/accommodations, a process for monitoring and evaluation of student progress in response to interventions, methods for using these measures of progress to make educational decisions, and a process for parent collaboration. The process for intervention (i.e., Building Strong Foundations) at the campus level shall have a clearly defined system of
confidential documentation outlining and monitoring the available accommodations for each student. The Family Support Team Meeting can be initiated by the parent or guardian, school counselor, Academic Interventionist, Administration or teacher. Parents/guardians, the student’s teachers, and the school counselor are present to discuss academic or behavioral concerns and develop solutions. These meetings are held for any student who has demonstrated the need for assistance and for those students who are on contract for admission. If documentation of progress of a student shows that a student continues to struggle academically, additional tutoring outside academic support may be required for a student to remain enrolled. If a student is not making adequate progress, the Administration and the Academic Team may determine that a student shall not enroll for the following school year. If the decision is made, St. Gregory the Great will assist the family in finding a school which appropriately meets their needs.

EVALUATING AND REPORTING (7104) The academic progress of each student is an important goal of StG. Policies and procedures of evaluating and reporting the student’s achievement shall be published in the Parent/Student Handbook. Family Support Meetings are to assist students in preventing academic failure by the use of the schools resources and staff by helping the student in their learning needs. The process shall include systemic procedures in analyzing and monitoring the student behavioral and/or academic struggles during and after interventions. StG uses the grading scale provided by the Department of Catholic Schools. Electronic grade books must include the same information noted on the archdiocesan grading scale.

REPORT CARDS (7105) Individual assessment of a student’s academic progress is a vital part of the educational system. St. Gregory the Great Catholic School follows the grading policy set forth in the Handbook of Policies and Regulations for the Archdiocese of San Antonio. Report cards are issued four times a year based on a nine-week grading period. The report card is an evaluation of the student’s performance in school. Grades are determined by the student’s performance on tests, projects, quizzes, class work, homework and participation. The conduct grade is based on the student’s adherence to the behavioral guidelines, attitude and personal responsibility.

GRADING PERIOD AND REPORT CARDS Numerical grades are used from second (2) grade through 8th grade. Academic Honor Roll is defined in the following manner (StG may include other qualifications in addition to these minimum standards).

High Honor Roll (4th-8th): 94-100 Average of core subjects with no grade below 85 in any subject, with S or higher in Rotation classes.
Honor Roll (4th-8th): 85-93 Average of core subjects with no grade below 70 in any subject, with S or higher in Rotation classes.

Core subjects include: Religion, English, Reading/Literature, Social Studies, Science and Mathematics.

ELEMENTARY/MIDDLE SCHOOL (GRADES PK3 – 8):
• For PK3 through grade 1, the following Evaluation Key is used:
  E = Excellent
  S = Satisfactory
  P = Progress
  N = Needs Improvement
  N/A = Not Applicable

• For grades 2 through 8, the following Evaluation Key is used:
  94-100 = Exceptionally High Achievement
  85-93 = High Achievement
75-84 = Average Achievement
70-74 = Low Achievement
0-69 = Failure to Master Material
SR = Summer School Required
SE = Summer School Enrichment

• For elementary electives such as physical education, art, music, technology, and foreign language, the following Evaluation Key is used:
  E = Excellent
  S = Satisfactory
  P = Progress
  N = Needs Improvement
  N/A = Not Applicable

• For PK3 through grade 5, conduct grades are indicated in the following manner:
  O = Outstanding Effort
  S = Satisfactory Effort
  I = Improvement Needed
  U = Unsatisfactory Effort
  N = Not Observed

**PROMOTION POLICY (7106)** Per TCCB ED, social promotions and skipping grade levels are prohibited. Students are promoted to the next grade level based on their academic achievement. Retention of a student is to be considered the last resort for students who do not meet the academic criteria for promotion. A student’s parent or guardian shall be given appropriate notice and warning of their child being at risk for retention. Factors leading to the decision made by the superintendent and principal, in consultation with the parent, include the following:

- age of student,
- maturity of student,
- degree of deficiency in the student’s learning as per grade level requirements,
- achievement and instructional data,
- review of academic interventions, and
- any other special circumstances that have hindered academic progress for the student.

The following are the specific regulations for promotion for various grade levels:

**3K-4K:** Promotion at this level is determined by the teacher and principal in consultation with the parent/guardian.

**5K-1:** A student must have at least a “P” final average in Reading and Mathematics.

**2-5:** A student must have at least a “70” final average in Religion, Reading, English, and Mathematics. A student who fails Reading and Mathematics is not promoted.

**6-8:** A student must have at least a “70” final average in all core subjects – Religion, English, Reading/Literature, Mathematics, Science, and Social Studies. A student who fails more than 2 core subjects is not promoted. For each core subject below “70” a student must demonstrate the successful completion
of work in summer school. If summer school is not available, work will be assigned and the student will be tested prior to advancement to the next grade level. The Superintendent shall be informed in writing of the availability of summer school programs.

**TEACHER/STUDENT COMMUNICATION:** Students who desire to discuss their academic progress or an individual personal problem must schedule a conference time with the individual teacher. A conference time will be established at a convenient time for the teacher during the school day. Since classroom time is considered instructional time, there may not be adequate time to discuss an individual problem during a specific class.

**HOMEWORK (7108)** Homework assignments are meaningful and fit the intellectual needs of the students. The amount assigned should be reasonable and based on material that has been taught. Homework is assigned primarily to reinforce class instruction and, secondly, help the student form good study and work habits. Keeping these two positive aspects in mind, parents should demonstrate an active interest in the child’s day-to-day progress and provide suitable conditions for home study. Each student will be responsible for submitting all assignments on time. This may vary according to age level. Each grade level will specify appropriate consequences. In the case of an absence, the student remains responsible for assignments due during that period. It is the student’s responsibility to see that all assignments, class work and homework, are completed and submitted to the teacher within the ordinarily allowed one-day grace for each day absence. If not turned in during this time, the assignment(s) will be recorded as late work. An administrator may be consulted for any exceptions due to extraordinary or extenuating circumstances.

Individual study/homework times will vary from student to student. The following time allotments are recommended:

<table>
<thead>
<tr>
<th>Grade Level</th>
<th>Recommended Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>Kinder</td>
<td>20 minutes</td>
</tr>
<tr>
<td>First grade</td>
<td>30 minutes</td>

<td>1 hour</td>
</tr>
<tr>
<td>Fifth grade</td>
<td>1 ½ hours or more</td>
</tr>
<tr>
<td>Sixth, Seventh, Eighth grade</td>
<td>2 hours or more</td>
</tr>
</tbody>
</table>

Remember that these times are approximate times. Occasionally, assignments will take longer due to the difficulty of the topic, etc. At various times, teachers assign special projects that extend over several days or weeks. Homework will also take longer to complete if students do not begin long-term projects as soon as they are assigned. Homework assignments will be posted and available for parents via RenWeb, however, parents should check their child’s assignment notebooks for homework and test dates daily for updates.

**ACADEMIC ASSESSMENTS:** Teacher constructed or publisher-supplied tests (such as weekly, chapter, or unit tests) will be administered as deemed necessary by the teacher. Students can expect to be assessed on academic subjects as well as some elective courses. Students must be prepared for any such tests. Prior to a scheduled test, the teacher will provide adequate notification to the student. It is the parent’s responsibility to be aware of his/her child’s performance by reviewing, on a regular basis, the graded work of their child and by checking Renweb. Teachers will return graded work on a regular, timely basis.

**FIELD TRIPS (7109)** Field trips of an educational or curriculum related nature may occur. All field trips must be approved by the school administration. With some exception, all field trips will be limited to approximately 2 1/2 to 3 hours in length. Non-school approved trips that involve students
will not be promoted or organized within the school. The following policies govern all school-sponsored field trips:

A teacher/sponsor will lead and organize all school field trips. Parents/guardians may be asked to serve as a chaperone. Chaperones make a commitment to supervise and are expected to remain with their assigned group at all times and to follow the teacher’s guidelines.

- Supervising adults and employees must review and acknowledge the Archdiocesan Sexual Misconduct Policy as well as have a background check cleared by the Archdiocese through the Archdiocese of San Antonio (valid for 3 years).
- The teacher/sponsor will verify that each student has submitted the formal permission form signed by the parent or guardian prior to departure on the trip. NO TELEPHONE REQUESTS WILL BE HONORED. If the parent/guardian does not provide the required permission, the student will not be permitted to participate. It is respectfully requested that the permission form be submitted on time to prevent undue stress on the part of the student, teacher and parent.
- Transportation will be approved by the school administration. Chartered or school buses will be used. Any student who rides to an event in an assigned bus is expected to ride the same bus back to school.
- Parents/guardians who provide their own transportation for their child (only) take full responsibility for that child to and from the field trip as well as during the field trip activities; the child must be signed out and in at the school office. All parents are required to pay the transportation fee even if the parent transports the child.
- Teachers will provide students and parents with a written permission form for the trip which shall include:
  - place, date, time of departure and return, and the name of the teacher/sponsor
  - the method of transportation
  - a list of items needed by the student while on the trip
- Teachers and chaperones will support and enforce the rules and regulations as outlined in the StG Parent – Student Handbook during all field trips. Infractions of the rules and regulations established by the teacher/chaperone may become the rationale for excluding students from future trips and activities.
- All field trips will be scheduled through the Principal's office.
- St. Gregory the Great dress and grooming codes are enforced during field trips, unless the Principal directs otherwise.
- Any student who is absent a half-day or more from school the day of the field trip will not be allowed to participate upon arrival at school or at the site.
- Any parent who does not allow his/her child to attend a class field trip will be responsible for keeping the child at home or securing alternative care.
- No siblings (younger or older) will be allowed to attend a field trip.
- Any student with 2 or more SOR’s will need to be accompanied by a parent in order to attend the field trip.
- No refunds will be provided to any parent whose child does not attend the field trip, regardless of the reason.

ARRIVAL AND DISMISSAL OF SCHOOL

- **DAILY SCHEDULE (7201)** A school day is a minimum of seven hours in length with a minimum of six hours for instructional time, with exception of full-day Pre-kindergarten and
Kindergarten with a minimum of 5 hours, 20 minutes of instructional time. Any time set-aside for lunch, recess, etc. will be in addition to this minimum instructional time. Reduction of the amount of instructional time in the regular school day, apart from the approved calendar, shall be only for serious reasons and requires the prior approval of the Archdiocesan Superintendent. Class schedules are planned according to the time allotments specified by the TCCB ED.

- All students who are not enrolled in After School Care must depart the campus no later than 30 minutes after dismissal. This also applies to early dismissal days. **Any student on campus 30 minutes after dismissal will be escorted to the After-School Program and a $10.00 drop-in fee will be charged.**
- **Note:** Following school dismissal, the playgrounds are for the exclusive use of the After-School Program from 4:00 p.m. to 6:00 p.m. Students attending athletic events are to remain in the gym during the games and not use the playground equipment. This is also the expectation for students remaining after school for other extracurricular activities.

**ARCHDIOCESAN TESTING PROGRAM (7401)** St. Gregory the great will test according to the guidelines established by the Department of Catholic Schools. The Archdiocesan testing program includes standardized tests of general achievement and scholastic ability. In accordance with the National Standard and Benchmarks for Effective Elementary and Secondary Schools (NSBECS), schools shall use school-wide assessment methods and practices to document student learning and program effectiveness, to make student performances transparent, and to inform the continuous review of curriculum and the improvement of instructional strategies. The required archdiocesan testing program includes a standardized test of religion programs. NCEA ACRE (Assessment of Catechesis/Religious Education) is a religion program assessment, given in grades 5, 8 and 11. It measures the religious knowledge, beliefs, perceptions, attitudes, and practices of students in elementary and secondary schools. A school that wishes to administer an alternative comprehensive assessment which is based on the *Catechism of the Catholic Church* must seek approval from the Superintendent.

To prepare 8th graders for high school success, the PSAT and HSPT will be administered during the year.

**PRAYER DURING THE SCHOOL DAY (7501)** Prayers will be said throughout the school day as appropriate. This practice should impress on students the need for prayer and reliance on God and help form the habit of prayer in their lives. In order to promote the spirit of Catholic education, prayer in the classroom environment is encouraged. Beginning and ending each class is desirable. Each school day begins with school-wide prayer. Attendance at Liturgy every Wednesday and holy days are an integral part of the school’s religion program. The liturgy is adapted to the level of the students. Parents are encouraged to attend the school liturgies; those that attend the liturgies are asked to sit with their child(ren) on the left-hand side of the church by the tabernacle. The same reverence and behavior is expected of students whether they sit with their class or with their parents.
DISPLAY OF RELIGIOUS ARTICLES (7502) At StG, a crucifix is displayed prominently in each classroom. Blessed Virgin Mary also be displayed. Each classroom includes a sacred space for devotional items relevant to the Catholic identity of the school, as well as images of our Blessed Virgin Mary.

TEXTBOOKS: All textbooks and Techbooks used at StG are those adopted by the Department of Catholic Schools and meet the requirements established by the Texas Catholic Conference Education Department. Textbooks are the sole property of St. Gregory the Great School.

- Each student is responsible for the set of books issued for his/her use.
- All hard-bound textbooks are to be neatly covered throughout the school year; textbook covers are not to be taped to inside binding of books.
- Students may not write or deface textbooks in any way.
- Textbooks which are damaged or lost must be paid for by the student’s parent/guardian within one month of billing.

LOCKERS:

- Lockers are used for students in the 6th, 7th, and 8th grades for books and personal belongings.
- Homeroom teachers assign lockers on the first day of school.
- Locker use is a privilege and may be suspended if abused.
- Lockers will be checked periodically to ensure proper care is taken by students.
- No inappropriate or permanent materials are to be attached, glued, or painted on or in lockers.
- Cell phones are to be turned completely off and place in students’ lockers before the 8am school bell.

FAMILY VOLUNTEER PROGRAM (Service Hours): Volunteerism is vital to the success of the St. Gregory the Great community. Therefore, each family of a St. Gregory the Great student is required to donate a minimum of fifteen volunteer credits (1 credit = 1 hour) each school year or compensate the school monetarily ($10 per uncompleted credit). Families who enroll later in the year will have their credits prorated. The school encourages and applauds a family’s support of the community at large; however, all acceptable service credits must come from service to St. Gregory the Great School/Parish. In addition, each parent is required to contribute a minimum of 1.5 hours for each of the following events: Halloween Festival and Fiesta de la Familia.

8th grade parents must give 4 hours of the required 15 to the Catholic School Week (CSW) lunch fundraiser, or will be billed for the hours. Friends and other family members are allowed to earn service credits for a family.

HOW TO EARN CREDITS:

15 credits per family – 1 credit = 1 hour of participation

8th grade parents must give 4 hours of the required 15 to the Catholic School Week (CSW) lunch fundraiser, or will be billed for the hours.

Many volunteer activities are acceptable. Examples include but are not limited to, participation in organized events, attending field trips, assisting teachers with class projects, assisting with class parties or other activities, presenting career day speeches, assisting with parking lot duty, etc. Volunteer credit will also be awarded to parents who serve on the many school committees, the PTC board, and the School Council. Refer to the list of activities below for maximum credits earned and for a list of activities that are not eligible to earn credits. You may contact ptc@stgregorys.net with questions.

In order to create an equitable balance of service, parents/guardians will earn a set number of credits for participation in the following activities for the school year.
- School council member – 5 credits for total of executive and general meetings held throughout the year.

- PTC board member – 5 credits for total of all executive and general meetings held throughout the year.

- Pastoral Council member – 5 credits for the total of all meetings held throughout the year

A student who fails to present the required evidence shall not be accepted for enrollment. The only exception to the foregoing requirement is medical exemption signed by a licensed physical (M.D. or D.O.) authorized to practice in the State of Texas, including the physicians license number.

Immunizations are not in conflict with the Catholic faith. Conscientious objections or waivers, which may be permissible for attendance in public schools, do not qualify for an exemption in Catholic Schools in Texas.

STUDENT INSURANCE (8104) St. Gregory the Great provides the required Archdiocesan student accident insurance for every student enrolled. This student accident insurance provides basic coverage and payment and is part of the regular fees charged to parents each school year. Student accident insurance is secondary insurance and covers students at all school related activities and for travel to and from all school-related activities. Parents are given the opportunity to purchase supplementary insurance at higher levels in addition to the required basic insurance coverage. The Archdiocesan student accident insurance does not cover interscholastic football related accidents or injuries (with the exception of spring or summer training or off season workouts) or school-sponsored overnight activities.

STUDENT CUMULATIVE HEALTH CARD (8105) StG Health Coordinator maintains for each student which will include their immunization record, vision, hearing, scoliosis and acanthosis nigricans screenings, pertinent medical information and doctor’s name. The Student Cumulative Record Card shall be stored within the student’s student health file. The student’s original cumulative card record is given to the receiving school when the student transfers to another school. The Student Cumulative Record Card may be kept electronically using the school’s data management system (e.g., RenWeb). If kept electronically and upon transfer or graduation, a paper copy shall be included in the student’s file. The student’s parent/guardian must sign a release of records for student health records to be transferred to another school. The release must defined the method of transmission, (i.e., fax, scan, email, regular mail or hand-delivery to parent/guardian). Documentation shall be maintained in the student’s file. Anaphylactic or potentially anaphylactic students who have been issued a prescription for a single dose epinephrine auto injector shall deliver at least two, along with a signed Medication Permission Request Form to the school nurse or health coordinator for use in case of an emergency. Children who are no longer allergic or no longer require a single dose epinephrine auto injector must present written notice from their allergist.

The diagnosis of asthma should be noted on the student’s Student Health Form and within their Health Record. It is the responsibility of the student’s parent to complete and submit to the school nurse or health coordinator an Asthma Action Plan that includes the signature of a licensed physician or health care provider. The signing health care provider and the parent/guardian cannot be the same person. The Asthma Action Plan is meant for parents, physicians, teachers and other relevant staff to coordinate information, methods of management, and define an emergency plan. School personnel, including but not limited to the school nurse or health coordinator, involved in detection of head lice should be appropriately trained. The importance and difficulty of correctly diagnosing an active head lice infestation should be emphasized. The school nurse or health coordinator is responsible for notifying the parent(s) or guardian(s) of the student who has lice. Letters of notice for parent/guardian of student with lice and classmates are available in the TCCED Health Manual. In order to prevent a widespread problem and to avoid the spread of misinformation, parents should be instructed on how to recognize nits and given tips on treatment and prevention. Students found to have lice are to be treated with lice shampoo and returned to school with proof of treatment. A parent/guardian shall accompany the student. The student may remain at school only if they are found to be lice and nit free.

Extended Day CARE PROGRAM
Extended Care Program

General Policies

- The Extended Care Program is available to all enrolled students. We offer four different program options to our parents in order to meet every families’ needs: Morning Care, After School Care, Full-Time Care and Drop-In Care.
- Students should be registered for the program that best meets their needs. The registration fee of $25.00 per student is applicable to all program options. This one time, non-refundable fee is charged when a student is enrolled in any of the program options each school year. The registration form must be completed and on file in order for a child to participate in Morning Care, After School Care and Full-Time Care Program.
- A “drop-in” is a student who attends either Morning Care or After School Care less than three times a month. If a family plans on utilizing either service more than twice a month, then the student should be registered for Drop-In Care. If a student not enrolled in any program option is found to have attended either Morning Care or After School Care three or more times within a month, the parent/guardian will be notified of their child’s enrollment in the Drop-In Care option and assessed the fees accordingly. (See Extended Care Program Fees for more details.)
- Once enrolled in any of the program options, it is the responsibility of the parent/guardian to notify the program director in writing by completing the Change of Care Option Form if there is a need to change which program their child is registered. We must receive this form prior to the billing period in which the change will occur. We will not change the program after billing has occurred. There is no fee assessed the first time enrollment changes. However, each additional change may incur a fee of $10.00. Note: Unless notified in writing, billing will continue as originally set up.
- Students will be released to authorized adults listed on the child’s pick-up list (siblings must be 18 years or older). A picture ID is required and may be asked to be seen by any child care staff. Authorized adults must sign out each child every day on the sign-out roster. At the time of sign out, the time must be recorded next to the authorized adult’s signature or initials. If a child is being picked up by someone who is not on their pick up list, parents must inform the office in writing that morning. We will not release a child to an adult who is not on their pick-up list without consent directly from parent/guardian. Children who are not checked out properly may be asked not to participate in the program. Other arrangements will have to be made by the parent or guardians.
- Program fees for Morning Care, After School Care, and Full-Time Care are due on the 1st of the month and will be billed to your FACTS account. Drop-In Care and Drop-In students will be billed weekly and fees are due on the 1st and 15th of the month. Check your account periodically for account balances.
- The Extended Care Program is a service provided for the families of St. Gregory the Great Catholic School. Students on campus grounds are the responsibility of the school. It is for the protection of each child that this program exists. Therefore, any student on campus before 7:30 a.m. or 30 minutes after dismissal without direct adult supervision (i.e. coach, sponsor, teacher, parent, etc.) will be placed in Extended Care. There are no exceptions.
• Students in After School Care are not allowed to leave the school campus after school unless they have been released to an authorized adult. Should a student leave the program without permission, the student will be subject to disciplinary action.

• Students attending encore clubs will meet in the cafeteria and be escorted by their club sponsor to their meeting. There is no charge unless the student is brought back to After School Care.

• The Extended Care Program is an extension of the school day. Therefore, all school policies are to be followed including no cell phones or toys. Repeated infractions may be subject to a Student Offense Referral (SOR). Non-compliance by students or parents may result in immediate dismissal from the program.

• In order to maintain a safe and harmonious environment, the following consequences will be issued. If the action of a student warrants a Student Offense Report (SOR) it will be immediately noted.

  • First SOR = 1 day of suspension in After School Care (Student will be under the direct supervision of After School Care personnel.)
  • Second SOR = 2 week suspension in After School Care (Student remains on campus.)

• A “drop-in” is a student who attends Morning Care less than three times a month. If a student utilizes the services three or more times within a month they must be enrolled in the Drop-In Care option. If not, after the third time within a given month parents will be notified of their child’s enrollment in the Drop-In Care option and assessed the fees accordingly. (See Extended Care Program Fees for more details.)
After School Care

- After School Care is provided in two locations: PK3-Kindergarten are cared for in the Early Childhood Building (ECH), 1st-8th grade are cared for in the cafeteria. In event that we are not able to meet at the regular location, parents will be notified ahead of time.

- After School Care is provided throughout the school year. There are two exceptions: the last day before Easter break and the last day of school. Parents/Guardians will need to make arrangements for these four days.

- The After School Care begins at dismissal time, whether it is a regular day or early dismissal day. It ends promptly at 6:00 p.m. Any student not picked up by 6:00 p.m. will incur an extra fee. (See Extended Care Program Fees for more details.)

- After School Care provides students supervised study hall, a snack and recreational time on a daily basis.

- Any student found on campus without direct supervision (i.e. coach, sponsor, teacher, parent, etc.) 30 minutes after dismissal will be taken to After School Care. (See Extended Care Program Fees for more details.)

- Students who are normally picked up at dismissal time, but remain on campus to attend athletic events must remain in the gym during games. If students are not picked up immediately after the game, they will be taken to After School Care. (See Extended Care Program Fees for more details.)

- Students participating in extracurricular activities (sports, encore clubs, music, etc.) must be picked up promptly at the conclusion of the activity or they will be sent to After School Care and billed accordingly. (See Extended Care Program Fees for more details.)

- A “drop-in” is a student who attends After School Care less than three times a month. If a student utilizes the services three or more times a month they must be enrolled in the Drop-In Care option. If not, after the third time within a given month parents will be notified of their child’s enrollment in the Drop-In Care option and assessed the fees accordingly. (See Extended Care Program Fees for more details.)

- Following school dismissal, playgrounds are for the exclusive use of students in After School Care.

- **Full-Time Care** encompasses aspects of both Morning Care and the After School Care. Therefore all policies from these two care options are applicable. See the policy sections above for more details.

- **Drop-In Care** follows the same principal guidelines and policies of both Morning Care and After School Care.

- If a student is not enrolled in Drop-In Care and is found to be utilizing either Morning Care or After School Care services three or more time in a month; the parent/guardian of the student will be notified of their enrollment in Drop-In Care and the registration fee of $25.00 will be added to their FACTS account.

- The Morning Care fee is $4.00 per child for each morning attended. The fees are incurred from 6:45 a.m.-7:30 a.m. If your child attends more than 10 mornings, it is more economical to enroll them in the Morning Care Program.
• Students on campus without direct adult supervision before 7:30 a.m. will be placed in Morning Care and assessed the Morning Care fee.

• Students are escorted to the library at 7:30 a.m. If your child is dropped off at the library table in the cafeteria at 7:20 a.m. or after, there will be no charge for morning care if they go to the library. Students dropped off before 7:20 a.m. will be assessed the Morning Care Fee.

• The After School Care fee is $10.00/child for each afternoon the child attends. The fees are incurred 30 minutes after school is dismissed. On regular school days charges occur between 4:00 p.m.-6:00 p.m. On early release days, charges are applicable between 12:30 p.m.-6:00 p.m. If your child attends more than 13 afternoons, it is more economical for them to be enrolled in the After School Care Program.

• Students who participate in extracurricular activities (i.e. encore clubs, sports, tutoring etc.) may be brought to After School Care if they are not picked up promptly. If this occurs, students will be checked into After School Care. No fee will be assessed if the student is picked up within fifteen minutes of the time of student arrival.

• Any student found on campus without direct supervision 30 minutes after dismissal will be taken to After School Care and assessed the After School Care fee.

• Billing occurs weekly.

• **Extended Care Program Fees**: The one-time, non-refundable registration fee of $25.00 per child will be charged to your FACTS account when you enroll. This registration fee is applicable to all programs.
  o Extended Day Program fees are due on the 1st of every month and will be billed to your FACTS account. August and December only are billed at ½ the monthly program amount except for those in the Occasional Drop-In Program. Families enrolled in the Drop-In Care are billed weekly and fees are due on the following 1st or 15th of the month.
  o **Morning Care** monthly fee is $40.00 per child.
  o **After School Care** monthly fee is $135 for one child, $235 for two children, and $305 for three children.
  o **Full-time Care** monthly fee is $175 for one child, $315 for two children and $425 for three children.
  o **Drop-In Care** The morning care fee is $4.00 per child for each morning the child attends before 7:30 a.m. The after school care fee is $10.00 per child for each afternoon the child attends the program. On regular school days charges occur between 4:00 p.m.-6:00 p.m. On early release days, charges are applicable between 12:30 p.m.-6:00 p.m. These are standard fees for any drop-in student regardless if they are registered for the program or not.
  o **Late Pick-up Fee**: Our After School Care program ends at 6:00 p.m. Any student who is not picked up by 6:00 p.m. will have a fee of $5.00 for the first minute and $1.00 for subsequent minutes.
**PARENT ORGANIZATIONS**

**SCHOOL COUNCIL:** The school council serves in an advisory capacity to the pastor and principal to determine improvements, establish needs, and ensure fiscal viability for the continued smooth operation of the school. The school council plays an integral role in the implementation of the school’s strategic plan as each council member is a chairperson for a designated committee. Meetings are regularly scheduled for the second Tuesday of each month. The school council meetings are open to all interested parties. The right of visitors to address the school council is limited to those whose petition has been presented in writing to the school council president at least one week (seven school days) in advance of the regular meeting and has been approved for the agenda. HOMEROOM PARENTS  Homeroom parents are under the jurisdiction of the PTC. They assist with special classroom events as well as help in any other manner agreed upon by the classroom teacher and the homeroom parent. A cooperative partnership between the teacher and head homeroom parent, as well as other homeroom parents, greatly benefits the children and the community.

All classroom events should be supportive of the values and messages we wish to send our children. Simplicity and prudence in gifts the children are given as a class at any time during the school year should exemplify the St. Gregory the Great School mission and philosophy; they should be meaningful but not excessive.

The time, effort, and love of the homeroom parents to make the school year memorable and fun for the children is greatly appreciated.
