BIG GIVE

Dear St. Gregory Community,

We're thrilled to announce that St. Gregory the Great will be participating in the Big Give campaign this year! This is a fantastic opportunity for us to continue to enhance our school's security and continue to ensure a safe and nurturing environment for our students, staff, and families.

What We're Aiming For:

With the funds raised through the Big Give, we can continue to enhance and implement advanced security systems that include state of the art surveillance, access points, and comprehensive monitoring solutions. These enhancements will provide peace of mind to parents, students, and staff.

Get Involved:

Each class has a fundraising goal of \$2,000, and we're excited to offer special incentives to make the journey even more engaging. Be on the lookout for updates and details on how you can support your child's class in reaching their goal!

How You Can Help:

Start reaching out to potential donors who might be interested in supporting this crucial initiative. Every contribution makes a difference and helps us continue to provide the best possible environment for our students. Thank you for your enthusiasm and support as we work together to make St. Gregory the Great an even safer and more vibrant place for our community.
