

George's Marvelous Medicine Project

Directions: You are going to be creating your own marvelous medicine on a cereal box. If you could create any type of medicine, what would it be called and what would it do? What types of ingredients would it have and how would you make it? You are to be creative for this project, but also make sure that whatever your medicine name is/what it does, is school appropriate. For this project, you will need to include the following:

1. Name of medicine:
2. Description of what it does (minimum of 100 words):
3. A list of all of the ingredients
 - minimum of three creative and imaginative ingredients to put into your own "Marvelous Medicine"
 - Each ingredient must be linked to a magical power.
4. How much will your medicine cost.
5. Make your box colorful and eye-catching.

Directions for how to make it (An example for how to make George's medicine is below. Yours should be in the same format with Ingredients at the top and the directions for how to make it underneath). The recipe should be at the back of the box.

Design your cereal box over an empty cereal box that you have at home (this can be drawn on a piece of white paper and colored or on colorful paper).

You will also be presenting your medicine cereal to the class on the first week of school.

How to make George's Marvellous Medicine

You will need:

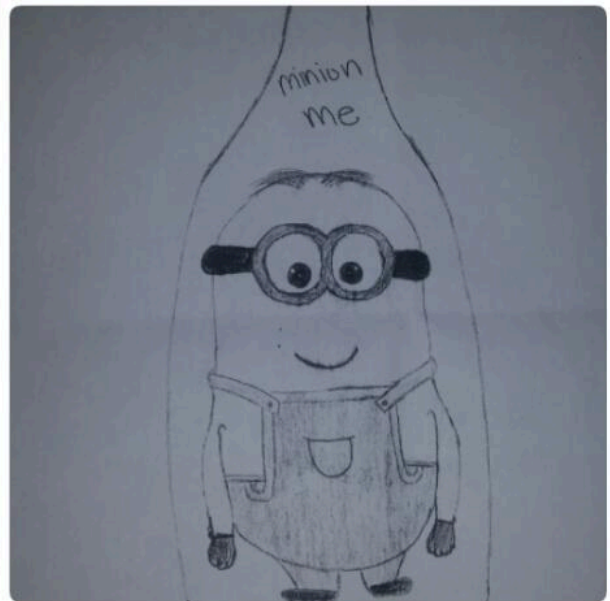

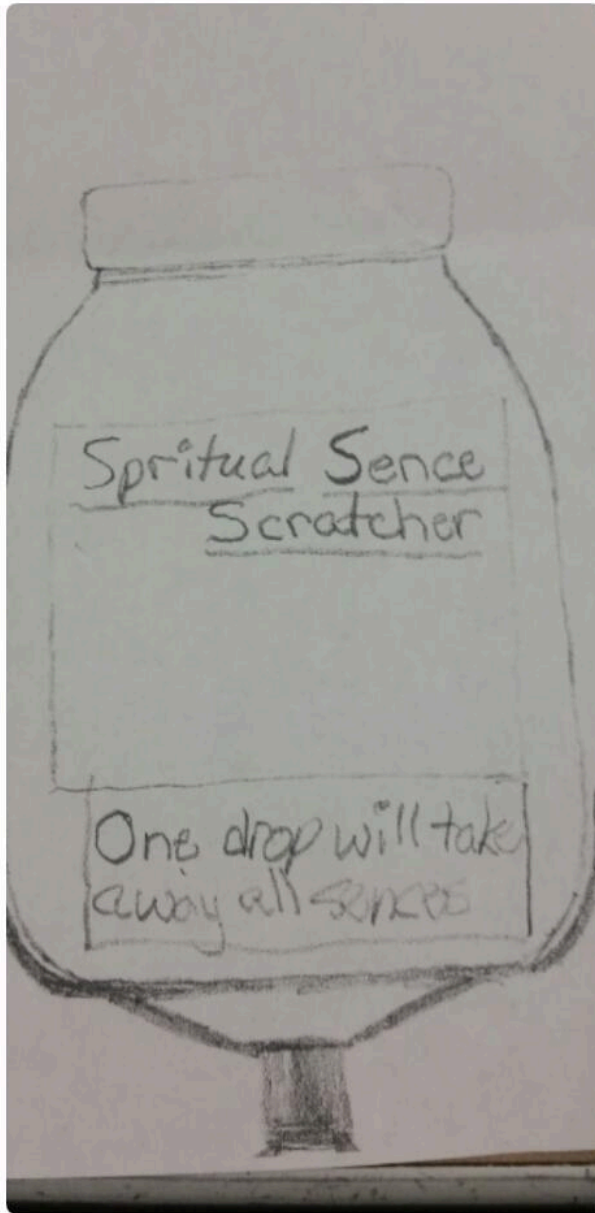

- 1 bottle of Golden Gloss Hair Shampoo
- 1 tube of toothpaste
- 1 can of Superfoam Shaving Soap
- 1 jar of Vitamin Enriched Face Cream
- 1 jar of hair remover
- 1 large tin of Waxell Floor Polish
- 1 tin of curry powder
- 1 bottle of extra hot chilli sauce
- 4 bottles of animal pills
- 1 large tin of brown paint

Method:

1. Collect a large pan from the kitchen.
2. Empty all the jars, bottle and aerosol cans into the pan.
3. Stir all the ingredients together and heat on the stove (take care not to breath in the smells).
4. Stir in the brown paint with a wooden spoon.
5. Fill up a medicine bottle with some of the mixture and replace the cork.
6. Run the bottle under a tap to cool it down.
7. Give it to Grandma and wait for amazing results!
